

I, David Busby, being first duly sworn, depose and say: That I am one of the grantors who, on December 16, 1936, granted a flowage easement to the United States of America over lands described in said easement; that there are no vested or accrued water rights for mining, agricultural, manufacturing or other purposes affecting said lands, nor are there any rights to ditches or reservoirs used in connection with such water rights; that there are no rights of a proprietor of a vein or lode to extract or remove ore from said lands, nor are there any ditches or canals on said lands constructed by the authority of the United States.

I also say that there are no rights of third persons under vested and accrued water rights in and to said lands; that there are no parties in possession not shown of record, nor are there any questions of survey or mechanics' lien claims affecting said lands not shown of record.

I further say that that parcel of land conveyed to Nellie E. Davison by C. M. Wisely and Maude Wisely, husband and wife, by warranty deed dated December 24, 1925, and recorded December 30, 1925, in Book "U" of Deeds, page 498, Records of Skamania County, and described as being that portion of Lot 4, Columbia Home Tracts, lying between the North Bank Highway (also known as State Road No. 8) and the S. P. & S. Railway Company's right of way, is not within the confines of the land over which I granted a flowage easement to the United States of America, heretofore mentioned;

That I make this affidavit for the purpose of meeting certain requirements as pointed out in the Attorney General's opinion of March 2, 1937.

David Busby
