

ROAD EASEMENT

For and in consideration of the sum of Fifty and No/100 Dollars (\$50.00), receipt of which is hereby acknowledged, WEYERHAEUSER COMPANY, a Washington corporation, Tacoma, Washington 98401, herein called "Weyerhaeuser", hereby grants and conveys to the STATE OF WASHINGTON, acting by and through the Department of Natural Resources, herein called "State", a perpetual exclusive right and easement to construct, reconstruct, maintain and use a road on a right of way sixty (60) feet in width upon, over and across Government Lot Five (5) of Section Thirty-one (31), Township Seven (7) North, Range Five (5) East of W. M., in Skamania County, Washington, being thirty (30) feet on each side of the center line described on the attached Exhibit A, for the purpose of hauling forest products and other valuable materials and to provide access to and from lands now owned or hereafter acquired by State.

Subject as to said lands to all matters of public record.

The terms and conditions of this Easement are as follows:

1. Weyerhaeuser, for itself, its successors and assigns, reserves the right to cross and recross said right of way, and any road constructed thereon, on grade or otherwise, by any means and for any purpose; provided, however, that the exercise of such reserved right shall not unreasonably interfere with the exercise of the rights granted State hereunder.
2. Weyerhaeuser reserves all of the timber on said right of way. State shall buck all of the timber felled in clearing said right of way into standard log lengths as designated by Weyerhaeuser's representative and shall deck such logs in horizontal piles, free of brush and debris, at locations suitable for loading by Weyerhaeuser.

IN WITNESS WHEREOF, Weyerhaeuser has granted this Easement and the State has accepted the same as of the 1st day of May, 1969.
