

Location of Mines.

Notice is hereby given that the undersigned having complied with the requirements of Chapter 6 Title 32 of the revised Statutes of the United States have located 1500 feet on the Fisher lode situated in the Washougal Mining District Skamania County, Washington Territory and described as follows:

A vein, lead or lode of silver bearing quartz being a continuation of the lead upon which the Pansy quartz mining claim is located. The herein described claim to be known as the Emma Claim. Beginning at cropping on left bank of small branch of Fisher Creek at South end center stake of Pansy Claim, running, thence, South 150 feet to stake 5 feet high six inches in diameter blazed and marked as South end center of Emma Claim. From, thence, West 300 feet to stake 5 feet high blazed and marked as South West corner of Emma Claim. From said center South end stake East 300 feet to stake 6 feet high marked as South East corner of Emma Claim. Beginning at crossing aforesaid on location stake West following channel of creek 300 feet to stake blazed and marked as North West corner of Emma Claim. From said location stake East following channel marked as North East corner of Emma Claim.

The above is an amended location of the Emma Claim as located and recorded as per records in Auditors office in Skamania County, Washington. Discovered March 24, 1889. Surveyed for record June 4, 1889.
