

of stumpage, of said timber as mentioned above. Said second party, for and in consideration of the above, agrees to furnish all the money that may be needed to build dams, Races, Ditches, flumes, and to put into successful operation said Saw Mill, machinery, also to purchase teams, and all necessary tools and implements, for the successful carrying on of said lumber business. And it is mutually agreed by both parties, that the party of the first part shall have employment in building and carrying on said mill, with the customary wages of the country, and that the party of the second part shall have the general management of the business, and further that the proceeds of said business shall be divided as follows.

The third of all profits arising from the sale of the lumber, delivered at the Boat landing, shall go to the party of the first part, and two thirds (2/3) to the party of the second part, and it is further agreed that the price of all lumber, delivered at the Boat landing, shall be the full cost of manufacturing the same with 33 1/3 per cent added. It is further agreed, that the mill and machinery of said mill, including Dams, flumes Ditches etc, shall be left in as good condition at the extermination of said term, as when received ready for work, with exception of natural wear and tear incident to such business, and we here with set our hands, and seal this the above day and date written above .
