

Location of "The Fannie" Mine by John Williams
To whom it may concern

Notice is hereby given, That the undersigned a citizen of the United States of America, conforming to the mining laws thereof, and of the State of Washington, and the local rules, regulations and customs of miners, have located and by this notice do locate claim known as the "The Fannie" Lode or Mining claim, said claim being discovered the 18th day of October 1896, and do claim 1500 hundred linear feet on the lead, lode or vein bearing mineral in place by 600 hundred feet in width, the same being 300 hundred feet on each side of the center thereof, together with all dips, spurs and angles, and all other veins or lodes the top or apex of which lie within said boundaries.

Situated in Cedar Creek Mining District, County of Skamania, State of Washington, said location being described and marked on the ground as follows, to-wit:

Commencing at discovery stake, thence 300 ft Northwesterly to corner stake, thence 1500 feet Southwesterly to corner stake, thence 300 feet Southwest to center stake, thence 300 feet Southwest to corner stake, thence 1500 feet Northwesterly to corner stake, thence 300 feet Northwesterly to center stake to place of beginning.

And I intend to hold and work said claim in accordance with the local customs and rules of miners and the mining laws of the United States and of the State of Washington.

Dated on the ground the 18th day of October 1896
Discovered 18th day of October 1896. Located Oct 18th 1896
