

Location of the 'Black Rock' Mine Ind. - Ind.

Notice of Location

In compliance with the U. S. Mining Law and the regulations of St. Helens Mining District, I located the Southeast Discovery claim of the Black Rock Lode, Skamania County, State of Washington. Locality on Empire creek North Tontle Valley about 400 feet higher than the White Sulphur Lode claim where the creek makes a sharp bend to the west beside a black rock in creek bed. Boundaries from place of discovery 300 feet north 80° west thence 1500 south 10 west thence 600 feet south 80° east thence 1500 feet north 10 east thence 300 feet north 80° west to place of beginning. Direction magnetic feet linear.

Discovered and located, June 27th 1895
