

Notice is hereby given that the undersigned a citizen of the United States, over the age of twenty-one years, on the 9th day of July 1896, discovered a vein or lode of quartz or sand rock in place bearing gold, silver, copper and lead, within the limits of the claim hereby located, and have this 9 day July 1896, under and in accordance with the Revised Statute of the United States, located of J. M. Center linear feet of the vein or lode in length with surface ground three hundred feet in width on each side of the center of said lode with all dips, spurs and angles, also all timber growing on said claim and all water and water privilege thereon or appertaining thereto situated in the Barry (B.) Mining District, County of Stanislaus and State of California, and known as the Lookout Mt. mining claim, and extending of J. M. Center linear feet to and from the notice at discovery of prospect shaft. The exterior boundaries of the claim being distinctly marked by reference to natural objects or permanent monuments and more particularly described as follows to wit:

Beginning at the State & notice and running 1500 feet in a Northernly direction & 150 feet extra to make it linear feet & 300 feet in a Westerly direction & 300 feet in an Easterly direction each side of the center end slope and 100 feet extra each side to make it linear feet & adjoining the Filly claim on the North and I intend to hold and work above described claims as provided by the Local laws and the customs and rules of mines and mining Statute and laws of the United States.
