

Notice of location of the Quartz claim Buggard by David Hertglyer.

Notice is hereby given that the undersigned a citizen of the United States, over the age of Twenty one years, on the 12th day of September, 1896 discovered a vein or lode of quartz or sand rock in place bearing gold, silver and lead, within the limits of the claim hereby located, and have this 12th day of September 1896, under and in accordance with the revised statutes, of the United States, located fifteen hundred linear feet of this vein or lode in length, with surface ground, three hundred feet in width on each side of the center of said lode, situated in the Bald Mountain Mining district, County of Skamania State of Washington and known as the Buggard Mining claim, and extending fifteen hundred feet to and from this notice at the discovery or prospect shaft; the exterior boundaries of this claim being distinctly marked by reference to natural objects or permanent monuments, and more particularly described as follows, to wit: Beginning at the south center end stake of the Brown Mining claim also at a falls about one hundred feet high on Blue Bird Creek starting from the place of discovery running three hundred feet in a northwesterly direction to corner post thence fifteen hundred feet southeasterly direction to corner stake thence three hundred feet in a southwesterly direction to center end stake thence three hundred feet in a south westerly direction to corner stake thence fifteen hundred feet in a north westerly direction to corner stake thence three hundred feet to place of discovery or beginning. This claim holds all dips, spurs, angles and valuable deposits.

And that I intend to hold and work said above described claim as provided by the local laws, and the customs and rules of miners and mining statutes and laws of the United States.

Discovered on this ground 12th day of September 1896.
