

Notice of Location of "Saturn Mine" by John Lunsch  
 To whom it may concern: Notice is hereby  
 given that the undersigned Citizen of the United States  
 having complied with all the requirements of Chapter  
 6 Title 32 of the Revised Statutes and local mining laws,  
 rules and Customs having located a Lode or vein on the  
 Lode or vein to be as the Saturn. Situated on Lewis River  
 East Forks about 6 miles above Canyon Creek on the South  
 bank of Lewis at the mouth of the Republican creek begin-  
 ning at said Lode or vein and at an Alder tree of which  
 my notice is posted, and running 1800 lines feet 20 degree  
 East of South along said Lode or vein and claiming 200 East  
 and 300 West thereof corner stakes are plainly marked  
 and hence said claim is situated in Stannard County, State  
 of Washington, on the Public domain unsurveyed, Town and  
 Section lines are unknown.

Discovered April 9th 1897, Located April 10th 1897
