

Notice of Location of Quartz Claim, "Skamania" Claim by E Engelsen

Notice is hereby given that the undersigned, a citizen of the United States, over the age of twenty-one years, on the 1st day of July 1897, discovered a vein or lode of quartz or sand rock in place bearing Gold, Silver and Lead, within the limits of the claim hereby located, and have this 3rd day of July 1897, under and in accordance with the Revised Statutes of the United States, located fifteen hundred linear feet of the vein or lode in length, with surface ground, three hundred feet in width on each side of the extent of said lode, situated in the Bald Mountain Mining District, County of Skamania and State of Washington and known as the Skamania Mining Claim, and extending fifteen hundred feet to and from this Notice at the discovery or prospect shaft: the exterior boundaries of this claim being distinctly marked by reference to natural objects or permanent monuments, and more particularly described as follows, to-wit:

Beginning at prospect running Southwesterly, 300 ft, to South West corner post, Thence 1500 ft North Westerly to North West corner post, Thence 300 ft North Easterly to North East corner post, and thence 300 ft same direction to North East corner post Thence 1500 ft South Easterly to South East corner post Thence 300 ft South Westerly to place of beginning. The above described claim is situated on a tributary of Thor Bird creek, about 100 ft above a fall and about 300 ft South West from Thor Bird creek. The adjoining claim is the Magahilda on the South. And that I intend to work and develop said above described claim as provided by the local laws, and the customs and rules of miners, and mining Statute and laws of the United States. Discovered on the ground 1st day of July 1897. Located 3rd day of July 1897, Dated 3rd day of July 1897
