DEPARTMENT OF THE ARMY
PERMIT TO OTHER FEDERAL GOVERNMENT DEPARTMENT OR AGENCY
TO USE PROPERTY ON

DACW57-4-82-86

Bonneville Lock and Dam (Lake Bonneville) Project

United States Department of Agriculture, Forest Service
is hereby granted a permit for a term of Ten years

beginning 1 September, 1982, and ending 31 August, 1992,

but revocable at will by the Secretary of the Army, to construct, operate, maintain and use a trail, twenty (20) feet in width, as part of the Pacific Crest National Scenic Trail, Skamania County, Washington.

as shown substantially in red on Exhibit A, attached hereto and made a part hereof, and ~~XXXXXX~~
~~XXXXXX~~

THIS PERMIT is granted subject to the following conditions:

1. That the use and occupation of the said premises shall be without cost or expense to the Department of the Army, under the general supervision and subject to the approval of the officer having immediate jurisdiction over the premises, and subject also to such rules and regulations as he may from time to time prescribe.
2. That the permittee shall, at its own expense and without cost or expense to the Department of the Army, maintain and keep in good repair and condition the premises herein authorized to be used.
3. That any interference with or damage to property under control of the Department of the Army incident to the exercise of the privileges herein granted shall be promptly corrected by the permittee to the satisfaction of the said officer.
4. That the permittee shall pay the cost, as determined by the said officer, of producing and/or supplying any utilities and other services furnished by the Department of the Army or through Department of the Army facilities for the use of the permittee.

- 5. That no additions to or alterations of the premises shall be made without the prior consent of the said officer.
- 6. That if for any reason it should be deemed necessary or expedient for the Department of the Army to perform functions and/or render services which are the responsibility of the permittee, the said officer may, in lieu of reimbursement, require the permittee to furnish the personnel and/or materials required for the performance of said functions and/or for the rendering of said services. In addition to furnishing personnel and/or materials, the permittee shall reimburse the Department of the Army for any costs incurred by the Department of the Army in connection with said functions and/or services, such as for supervision and/or equipment furnished. Selection of such personnel will be subject to the approval of the said officer.
- 7. That on or before the date of expiration of this permit or its relinquishment by the permittee, the permittee shall vacate the said premises, remove its property therefrom, and restore the premises to a condition satisfactory to the said officer, ordinary wear and tear and damage beyond the control of the permittee excepted. If, however, this permit is revoked, the permittee shall vacate the premises, remove its property therefrom, and restore the premises as aforesaid within such time as the Secretary of the Army may designate.
- 8. That portion of the trail lying north of the hachured tract (2924) for a distance of 50 feet as shown on Exhibit "A" is subject to an easement granted to the State of Washington, Department of Natural Resources for the maintenance of a clear zone for a water well site. Permittee shall post this portion of the trail with signs indicating it as a well site clear zone.

Before execution of this permit, the granting clause was modified.

IN WITNESS WHEREOF I have hereunto set my hand by authority of the Secretary of the Army this 23rd day of September, 1982

D. H. NELLEN
Chief, Real Estate Division
U.S. Army Engineer District, Portland
