2. Condition of Title. Title to the property is to be free
of all encumbrances or defects, except those special exceptions set
out in Schedule B, Paragraph II(C), of the Commitment for Title Insur-
ance issued by the Skamania County Title Company (No. SK-12956), bear-
ing effective date of December 8, 1982.

3. Possession. Purchaser shall be entitled to possession upon date of closing.

4. Taxes and Assessments. Purchaser agrees to pay all taxes and assessments levied or assessed against the subject property subsequent to the date of possession at such time the same shall become due and payable.

5. Insurance. Purchaser agrees to keep the buildings now or hereafter placed upon the premises insured to the full insurable value thereof against loss or damage by fire, with extended coverage in like amount, in some company acceptable to sellers and for the benefit of the sellers or purchaser as their interests may appear, and to pay all premiums therefor until the purchase price is fully paid.

6. Purchaser also agrees to assume all hazards of damage to or destruction of any improvements now on said land or hereafter to be placed thereon; and agrees to keep the buildings and all improvements on the premises in good condition and repair and not to permit waste; and agrees not to use the premises or any part thereof for any illegal purpose.

7. In the event purchaser shall fail to make any payment hereinbefore provided, the sellers may pay such taxes and assessments and effect such insurance, and any amount so paid by the sellers shall be deemed a part of the purchase price and shall become payable forthwith, with interest at the rate of 10% per annum until paid, without prejudice to any other rights of sellers by reason of such failure.

8. Title Insurance. The sellers have procured, or agree to procure within ten days of the date hereof, a purchaser's policy of title insurance, insuring the purchaser to the full amount of the purchase price against loss or damage by reason of defect in the title of the sellers to the real estate herein described or by reason of prior liens not assumed by the purchaser in this contract.

9. Deed. The seller agrees, on full payment of the purchase price and interest in the manner hereinbefore specified, to execute and deliver to purchaser a warranty deed to the property, excepting any part which may hereafter be condemned, free and clear of encumbrances, except those mentioned herein and any that may accrue hereafter through any person other than the sellers.

TIME IS OF THE ESSENCE of this agreement. If the purchaser shall fail to comply with or perform any covenant or agreement herein promptly at the time and in the manner herein required, the sellers may elect to declare all of the purchaser's rights hereunder terminated, and upon their doing so all payments made by the purchaser hereunder and all improvements placed upon the premises shall be forfeited to the sellers as liquidated damages, and the sellers shall have the right to re-enter and take possession of the property. Service of all demands and notices with respect to such declaration or forfeiture and cancellation may be made by certified mail at the following address: P.O. Box 712 Carson W.L. 98610, or at such other address as the purchaser shall indicate to the sellers in writing. If the sellers within six months after such forfeiture shall commence an action to procure an adjudication of the termination of the purchaser's rights under this contract, the purchaser agrees to pay the expense of searching the title for the purpose of such action, together with all costs and a reasonable attorney's fee.

OR, the sellers may elect to bring an action, or actions, on any intermediate overdue installment, or on any payment or payments made by the sellers and repayable by the purchaser, it being stipulated that the covenant to pay intermediate installments or to repay items repayable by the purchaser, are independent of the covenant to make a deed and that every action is an action arising on contract for the recovery of money only, as if the promise to pay had been expressed in a different instrument, and that no such action shall constitute an election not to proceed otherwise as to any subsequent default, and no waiver by the sellers of any default on the part of the purchaser shall be construed as a waiver of any subsequent default.

In the event of the taking of any part of the property for public use, or of the destruction of any of the improvements on the property by fire or other casualty, all of the moneys received by the sellers by reason thereof shall be applied as a payment on account of the purchase price of the property, less any sum which the sellers may be required to expend in procuring such money, or, at the election of
