Green River Trail, No. 213

AUDITOR
GARY M. OLSON
RIGHT-OF-WAY EASEMENT DEED

THIS EASEMENT, dated this 14th day of June, 1993, from WEYERHAEUSER COMPANY, a Corporation of the State of Washington, hereinafter called "Grantor," to the United States of America, hereinafter called "Grantee,"

WITNESSETH:

Grantor, for and in consideration of \$721.00, the receipt of which is hereby acknowledged, does hereby grant and convey to Grantee, its heirs, and assigns, a perpetual easement for a trail over and across the following described lands in the County of Skamania, State of Washington:

T. 10 N., R. 5 E., W.M.
sec. 13, lots 1, 2, 5 and NW1/4NE1/4.

T. 10 N., R. 6 E., W.M.
sec. 18, lots 3 and 20.

SKAMANIA COUNTY TREASURER

The said easement is in conformity with and located upon the ground according to the survey line, figures, measurements, widths, and other references shown on the plat hereto attached and made a part hereof.

The acquiring Agency is the Forest Service, U.S. Department of Agriculture.

Grantee alone may extend rights and privileges for use of the trail to other Government departments and agencies, States, and local subdivisions thereof, and to the other users including members of the public.

This easement is made subject to the following terms and conditions, Provided, that nothing herein contained shall obligate the Grantee beyond the extent of available authorized appropriations, or contrary to the rules, regulations, and laws applicable to the Grantee:

1. The condition that the Grantee will close the trail to public use when Grantor is conducting timber harvesting operations that would endanger trail users, Provided, Grantor furnishes temporary alternate locations for the trail satisfactory to the Grantee; provided further, the closure will be made effective and alternate locations marked within 15 days of receipt of a written request from the Grantor; and provided further, the Grantor shall restore the trail to the same condition that immediately preceded said closure.

2. The condition that no building, structure, or improvements of any kind shall be constructed, erected, or moved on the easement area, providing that nothing contained herein shall be interpreted to preclude the right to cross the easement with a road, telephone line, electric transmission line, water pipeline, sewer line, or other utility line normally used in the development for residential or commercial use.

3. The condition that no signs, billboards, outdoor advertising structure, or advertising of any kind will be erected or displayed on the easement area by the Grantor; Provided, Grantor may erect signs required by applicable laws and regulations of the State of Washington.

4. The condition that no trash, garbage, sewage, or any unsightly or offensive material shall be placed on the easement area by the Grantor.

5. Grantee shall remove all trash, garbage, or any unsightly or offensive material resulting from the public use of the trail.

6. Grantee shall take reasonable measures intended to prevent trespassing or unauthorized use of Grantors adjacent land.

This easement is made subject to the following reservations by the Grantor, its heirs, and assigns:

1. The right to use the trail or any segment thereof, subject only to compliance with regulations and rules as provided in 36 CFR 261.12.

2. The right to cross and recross the easement and trail at any place by any reasonable means and for any purpose in such manner as will not unreasonably interfere with use of the trail by the United States, its authorized users, and assigns.

3. The right to all timber now or hereafter growing on the easement subject to Grantee's right to cut timber on the easement to the extent necessary for constructing, reconstructing, and maintaining the trail. Timber so cut shall, unless otherwise agreed to, be cut into logs of lengths specified by the Grantor and left along the trail for disposal by the Grantor.

If at any time, the Regional Forester determines that the trail, or any segment thereof, is no longer needed, the easement traversed thereby shall terminate. In the event of such determination, the Regional Forester shall furnish to the Grantor, its successors, or assigns, a statement in recordable form evidencing termination.
