EASEMENT AGREEMENT

BOOK 137 PAGE 565

Parties to this agreement: The parties to this agreement are C.M. Reinhart, Jim Carroll, Lynne Carroll and Sharleen James, hereinafter called Owners, and Richard Bedell and Marian Bedell, husband and wife, hereinafter called Grantees.

W I T N E S S E T H

WHEREAS, the parties are owners of adjoining land in the County of Skamania, State of Washington; and

WHEREAS, the parties have previously agreed to a property line adjustment between their respective parcels involving mutual quit claim deeds; and

WHEREAS, the parties are now desirous of allowing the Grantees access for horses to a road if built.

Now, therefore Owners hereby agree to grant and convey to Grantees an easement for use by horses, if and when the Owners build a road across the property owned by the Owners described in Exhibit "A", attached hereto and incorporated herein by this reference as if fully set forth.

"Use of horses" as used in this agreement means that Grantees can have access and use of the road, if and when it is built, to ride horses on. This access will not interfere with the use of the Owners or any of their heirs, assigns, or grantees.

The consideration for this agreement is the granting of extra land to the Owners by the Grantees in their boundary line adjustment and the settlement of a quiet title action.

This grant of easement shall run with the land and shall be binding on and shall inure to the benefit of the parties hereto, their heirs, successors, or assigns.
