Tenth Series of Bonds

SECTION 1.01. There shall be a series of bonds designated "E-L Series" (herein sometimes referred to as the Tenth Series), each of which shall also bear the descriptive title "First Mortgage and Collateral Trust Bond," and the form thereof, which shall be established by or pursuant to a Resolution, shall contain suitable provisions with respect to the matters hereinafter in this Section specified.

(I) Bonds of the Tenth Series shall mature on such date or dates not more than 30 years from the date of issue as shall be set forth in or determined in accordance with a Resolution filed with the Trustee and shall be issued as fully registered bonds in the denomination of Five Thousand Dollars and, at the option of the Company, of any multiple or multiples of Five Thousand Dollars (the exercise of such option to be evidenced by the execution and delivery thereof).

(II) Bonds of the Tenth Series shall bear interest at such rate or rates (which may either be fixed or variable), payable on such dates, and have such other terms and provisions not inconsistent with the Mortgage as may be set forth in or determined in accordance with a Resolution filed with the Trustee. Bonds of the Tenth Series shall be dated and shall accrue interest as provided in Section 2.06 of the Mortgage.

Interest payable on any bond of the Tenth Series and punctually paid or duly provided for on any interest payment date for such bond will be paid to the person in whose name the bond is registered on the fifteenth (15th) day (whether or not a business day) next preceding each interest payment date or at such other address as may be furnished in writing by such person to the Trustee at least 15 days prior to such interest payment date. Each such notice shall be effective until otherwise modified or rescinded by written notice to the Trustee at least 15 days prior to an interest payment date.

Subject to the foregoing provisions of this Section, each bond of the Tenth Series delivered under the Mortgage upon transfer of or in exchange for or in lieu of any other bond shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other bond and each such bond shall bear interest from such date, that neither gain nor loss in interest shall result from such transfer, exchange or substitution.

(III) The principal of and interest on each bond of the Tenth Series shall be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts or in such other currency or currency unit as shall be determined by or in accordance with a Resolution filed with the Trustee.

(IV) Each bond of the Tenth Series may be redeemable prior to maturity at the option of the Company, as determined by or in accordance with a Resolution filed with the Trustee. The Company may redeem any of the bonds of the Tenth Series which are redeemable and remain outstanding either in whole or from time to time in part, upon not less than 15 nor more than 60 days' notice in accordance with Section 12.02 of the Mortgage.

(V) Each bond of the Tenth Series may be subject to the obligation of the Company to redeem such bond, as determined by or in accordance with a Resolution filed with the Trustee.

(VI) Each bond of the Tenth Series may have such other terms as are not inconsistent with Section 2.03 of the Mortgage and as may be determined by or in accordance with a Resolution filed with the Trustee.

(VII) At the option of the registered owner, any bonds of the Tenth Series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, shall be exchangeable for a like aggregate principal amount of bonds of the same series of other authorized denominations.

(VIII) Bonds of the Tenth Series shall be transferable, subject to any restrictions thereon set forth in any such bond of the Tenth Series, upon the surrender thereof for cancellation, together with a written instrument of transfer in form approved by the registrar duly executed by the registered owner or by his duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York. Upon any transfer or exchange of bonds of the Tenth Series, the Company may make a charge therefor sufficient to reimburse it for any tax or taxes or other governmental charge, as provided in Section 2.08 of the Mortgage, but the Company hereby waives any right to make a charge in addition thereto for any exchange or transfer of bonds of the Tenth Series.

(IX) After the execution and delivery of this Eighth Supplemental Indenture and upon compliance with the applicable provisions of the Mortgage and this Eighth Supplemental Indenture, it is contemplated that there shall be issued from time to time bonds of the Tenth Series in an aggregate principal amount not to exceed Seventy-one Million Two Hundred Thousand Dollars (\$71,200,000). Bonds of the Tenth Series shall be issued pro rata on the basis of Class "A" Bonds of the Fifty-sixth Series, designated "First Mortgage Bond E-L, Series," issued under each of the Utah Mortgage and the Pacific Mortgage and delivered to the Trustee. The claim of the registered owner of any such Class "A" Bond shall be limited to the principal amount of the bonds of the Tenth Series issued and Outstanding on the basis of such Class "A" Bond.

(X) Upon receipt by the Trustee from time to time of a written request or requests (stating that the Trustee holds an aggregate principal amount of Class "A" Bonds of the Fifty-sixth Series, designated "First Mortgage Bond E-L Series," issued under the Utah Mortgage and the Pacific Mortgage which exceeds the principal amount of bonds of the Tenth Series then Outstanding and stating the amount of such excess and the principal amount of any such Class "A" Bonds to be cancelled) executed by an Authorized Executive Officer of the Company, the Trustee shall return to the corporate trustee under the Utah Mortgage or corporate trustee under the Pacific Mortgage, as the case may be, for cancellation, a principal amount of Class "A" Bonds issued in the name of and held by the Trustee with respect to bonds of the Tenth Series not to exceed the excess of the principal amount of such Class "A" Bonds then so held over the principal amount of bonds of the Tenth Series then Outstanding. Upon cancellation of any such principal amount of Class "A" Bonds, the Trustee shall receive from the corporate trustee under the Utah Mortgage or corporate trustee under the Pacific Mortgage, as the case may be, a Class "A" Bond in the principal amount not so cancelled.

(XI) The Trustee shall, within 30 days after any due date for the payment of interest or principal on bonds of the Tenth Series, with respect to which due date full payment has not been made, notify in writing (signed by the President, a Vice President, an Assistant Vice President or a Trust Officer) the corporate trustees under each of the Utah Mortgage and Pacific Mortgage that interest or principal due and payable on such bonds has not been fully paid and the amount of funds required to make such payment. If after such notice is given the Company cures the nonpayment within the cure period permitted in the Mortgage, the Trustee shall, as soon as practicable, notify the corporate trustees under the Utah Mortgage and Pacific Mortgage of such cure.
