I Wesley Alan Smith would like to claim that after being intimidated, harassed, and slandered that Officer Dennis Warren gave / Rita Santillan a 1984 Pontiac Firebird after replacing the engine, the automobile without payment for services rendered. Officer Warren was made aware that said customer (Hostile) would skip without paying with said automobile comment to this fact was made in and front of Cheyenne Cox, Jeff Gunderson, and Bobby Ottis in spite or prejudice of, he required I returned said automobile with no business arrangement to be made. The repair made was far below service market value as invoice shows or could be compared to other repair facilities. The business ran on shoestring finances so the loss of \$500.00 turned into the proverbial snow ball effect in which today I have lost my business and my home is near foreclosure (collateral loan). After said incident Rita Santillan left Garza County leaving unpaid balance and I totaled 1978 Nissan B210 which she had as a loaner car Rita had in her possession while repairs to her car were being made further loss to income - I would like to claim balance of original repairs plus monies paid to lawyer who never filed \$25.00

didn't know I could process claim.
Also for profit rollover loss + time for
pursuance of claim I was Alan Smith claim
this to be a fair and non bias claim,
for said circumstances involved.
