SURVEY IN NW 1/4 SEC. 31 T.2 N., R.5 E., W.M.

TRAVERSE STATEMENT & NARRATIVE:
A closed field traverse for the parcels shown was made with a total station and related measuring equipment, all of which met the minimum standards for this survey as per WAC 332-130-090. Acceptable raw data closure of greater than 1:5000 was balanced by compass adjustment procedure to effect mathematical closure. Field work for this project was conducted during the period of Nov. 10, 1993 through Jan. 19, 1994 the purpose of which was to locate and/or set the property corners of the parcels. Fenceline encroachments noted during this survey are shown as indicated, tied near corners set, and may vary as shown between corners.

DESCRIPTION OF TOTAL PARCEL:
Bennett parcels described in Book 59 at Page 249, and in Book 105 at Page 683. Turner parcel described in Book 70 at Page 179; all records of Skamania County, Wa.

Trantow Surveying, Inc. makes no warranty as to matters of unwritten title, such as adverse possession, estoppel, acquiescence, hazardous waste, etc.
