SURVEY IN NE<sup>1</sup>/<sub>4</sub> NW<sup>1</sup>/<sub>4</sub> SEC. 35 T.4 N., R.7. E., W.M.

TRAVERSE STATEMENT & SURVEY NARRATIVE:  
A closed point-to-point field traverse for the parcel shown was made with a Pentax PTS III total station and related measuring equipment, all of which met the state standards (WAC 332-130-090) at the time of this survey. Acceptable raw closure in excess of 1: 000 was balanced by compass adjustment procedure to effect mathematical closure.  
Field work for this project was conducted during the period of June 2-9, 1994, in order to set the corners of the parcel shown. Encroachments noted during this survey are shown as found.

DESCRIPTION OF TOTAL PARCEL:  
LOT 1 of the G.T. Hollenberry Short Plat as shown on the map thereof recorded in Book 2 of Page 143 of Short Plats, records of Skamania County Auditor.

- Set 5/8" X 30" iron rod w/plastic cap
- Corner of record
- Calculated, not set or found
- ( ) all of record
- x x Fenceline
