1. Purpose. The easement and right-of-way conveyed herein is for the purposes of constructing, reconstructing, maintaining, repairing, and using an existing road over and upon said easement and right-of-way.

2. Road Crossing. Grantor, for itself, its successors and assigns, reserves the right at all times and for any purpose to go upon, cross and recross, at any place on grade or otherwise, said rights-of-way and to use the road on said rights-of-way in a manner that will not unreasonably interfere with the rights granted to Grantee hereunder.

3. Third Parties. Grantor may grant to third parties, upon such terms as it chooses, any or all of the rights reserved by it herein; provided, that use by such party shall be subject to the terms and conditions of this easement and shall not unreasonably interfere with the rights granted to Grantee hereunder.

4. Maintenance. The cost of road maintenance and resurfacing shall be allocated on the basis of respective uses of said roads. When any party uses said roads, or a portion thereof, that party shall perform or cause to be performed, or contribute or cause to be contributed, that share of the maintenance and resurfacing occasioned by such use as hereinafter provided. During periods when said road, or a portion thereof, is being used solely by one party, such party shall maintain that portion of said roads so used to the standards existing at the time use is commenced. During periods when more than one party is using said roads, or a portion thereof, each party's share of maintenance and resurfacing shall be pro rata in proportion to its use thereof. The parties hereto shall meet and establish necessary maintenance provisions. Such provisions shall include, but shall not be limited to:

(a) The appointment of a maintainer, which may be one of the parties hereto or any third party, who will perform or cause to be performed, at a reasonable and agreed upon rate, the maintenance and resurfacing of the road or the portion thereof being used; and

(b) A method of payment by which each party using said roads or a portion thereof shall pay its pro rata share of the cost incurred by said maintainer in maintaining or resurfacing said road or portion thereof.

For the purposes of this easement, maintenance is defined as the work normally necessary to preserve and keep the roadway, road structure and road facilities as nearly as possible in their present condition or as hereafter improved.

5. Road Damage. Each party using any portion of said roads shall repair or cause to be repaired at its sole cost and expense that damage to said roads occasioned by it which is in excess of that which it would cause through normal and prudent usage of said

roads. Should inordinate damage to said roads occur which is not caused by an authorized user of said roads, the parties hereto shall meet to agree on the cost of replacement, and the shares of replacement cost to be borne by each user of said roads.

6. Construction and Improvement. Unless the parties hereto agree in writing to share the cost of improvements to said roads in advance of such improvements being made, said improvements shall be solely for the account of the improver.

7. Right-of-Way Timber. Grantor reserves to itself all timber now on or hereafter growing within said right-of-way on its said land. Grantee shall have the right to cut timber upon the premises to the extent necessary for constructing, reconstructing, and maintaining the road. Timber so cut shall, unless otherwise agreed to, be cut into logs of lengths specified by the timber owner and decked along the road for disposal by the owner of such timber.

8. Insurance. Grantee, before using said road, shall obtain and during the term of such use, maintain a policy of Automobile Liability Insurance in a form generally acceptable in the State and customary in the area of said right of way, insuring said Grantee against liability arising out of its use of such right-of-way.

9. Indemnification. Grantee shall assume all risk of, and indemnify and hold harmless, and at Grantee's expense defend Grantor from and against any claims, loss, cost, legal actions, liability or expense on account of personal injury to or death of any persons whomsoever, including but not limited to employees of Grantor, or damage to or destruction of property to whomsoever belonging, including but not limited to property of Grantor, or any fire, resulting partly or wholly, directly or indirectly from Grantee's exercise of the rights herein granted; provided, however, that Grantee's undertaking herein contained shall not be construed as covering personal injury to or death of persons, or damage to or destruction of property resulting from the sole negligence of Grantor.

10. Liens. Grantee shall keep Grantor's property free from liens arising in any manner out of the activities of Grantee and shall promptly discharge any such liens that are asserted.

11. Termination. If Grantee determines that the road, or any segment thereof, is no longer needed, the easement traversed thereby shall terminate. The termination shall be evidenced by a statement in recordable form furnished by Grantee to the Grantor or its successor(s) or assign(s) in interest.

Grantor may terminate this easement, or any segment thereof, (1) by consent of the Grantee, (2) by condemnation, or (3) after a five (5) year period of nonuse, by a determination to cancel after

notification and opportunity for hearing as prescribed by law;
Provided: That the easement, or segment thereof, shall not be
terminated for nonuse as long as the road, or segment thereof, is
being preserved for prospective future use.

12. Rights and Obligations. The rights and obligations
hereunder shall inure to the benefit of and be binding upon the
successors and assigns of the parties hereto.
