The Company further covenants and agrees to and with the Trustee and its successor or successors in such trust under the Mortgage, as follows:

ARTICLE I

Eleventh Series of Bonds

SECTION 1.01. There shall be a series of bonds designated "Secured Medium-Term Notes, Series G" (herein sometimes referred to as the Eleventh Series), each of which shall also bear the descriptive title "First Mortgage and Collateral Trust Bond," and the form thereof, which shall be established by or pursuant to a Resolution, shall contain suitable provisions with respect to the matters hereinafter in this Section specified.

(1) Bonds of the Eleventh Series shall mature on such date or dates not less than nine months nor more than 100 years from the date of issue as shall be set forth in or determined in accordance with a Resolution filed with the Trustee and shall be issued as fully registered bonds in the denomination of Two Thousand Dollars and, at the option of the Company, of any multiple or multiples of Two Thousand Dollars (the exercise of such option to be evidenced by the execution and delivery thereof).

The Company reserves the right to establish, at any time, by or pursuant to a Resolution filed with the Trustee, a form of coupon bond, and of appurtenant coupons, for the Eleventh Series and to provide for exchangeability of such coupon bonds with the bonds of the Eleventh Series issued hereunder in full registered form and to make all appropriate provisions for such purpose.

(II) Bonds of the Eleventh Series shall bear interest at such rate or rates (which may either be fixed or variable), payable on such dates, and have such other terms and provisions not inconsistent with the Mortgage as may be set forth in or determined in accordance with a Resolution filed with the Trustee. Bonds of the Eleventh Series shall be dated and shall accrue interest as provided in Section 2.06 of the Mortgage.

Interest payable on any bond of the Eleventh Series and punctually paid or duly provided for on any interest payment date for such bond will be paid to the person in whose name the bond is registered at the close of business on the Record Date (as hereinafter specified) for such bond next preceding such interest payment date; provided, however, that the first payment of interest on any bond with an Issue Date (as hereinafter specified) between a Record Date and an interest payment date or on an interest payment date will be made on the interest payment date following the next succeeding Record Date to the registered owner on such next Record Date (unless the Company elects, in its sole discretion, to pay such interest on the first interest payment date after the Issue Date, in which case such interest will be paid to the person in whose name the bond is originally issued), provided, further, that interest payable at maturity or upon earlier redemption will be payable to the person to whom principal shall be payable. The "Record Date" with respect to bonds of the Eleventh Series of a designated interest rate and maturity shall be determined by or in accordance with a Resolution filed with the Trustee. "Issue Date" with respect to bonds of the Eleventh Series of a designated interest rate and maturity shall mean the date of first authentication of bonds of such designated interest rate and maturity.

Any interest on any bond of the Eleventh Series which is payable but is not punctually paid or duly provided for, on any interest payment date for such bond (herein called "Defaulted Interest"), shall forthwith cease to be payable to the registered owner on the relevant Record Date for the payment of such interest solely by virtue of such owner having been such owner; and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in subsection (i) or (ii) below:

(i) The Company may elect to make payment of any Defaulted Interest on the bonds of the Eleventh Series to the persons in whose

names such bonds are registered at the close of business on a Special Record Date (as hereinafter defined) for the payment of such Defaulted Interest, which shall be fixed in the following manner: The Company shall, at least 30 days prior to the proposed date of payment, notify the Trustee in writing (signed by an Authorized Financial Officer of the Company) of the amount of Defaulted Interest proposed to be paid on each bond of the Eleventh Series and the date of the proposed payment (which date shall be such as will enable the Trustee to comply with the next sentence hereof), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this subsection provided and not to be deemed part of the Mortgaged and Pledged Property. Thereupon, the Trustee shall fix a record date (herein referred to as a "Special Record Date") for the payment of such Defaulted Interest which date shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each registered owner of a bond of the Eleventh Series at his address as it appears in the bond register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the persons in whose names the bonds of the Eleventh Series are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following subsection (ii).

(ii) The Company may make payment of any Defaulted Interest on the bonds of the Eleventh Series in any other lawful manner

not inconsistent with the requirements of any securities exchange on which such bonds may be listed and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this subsection, such payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each bond of the Eleventh Series delivered under the Mortgage upon transfer of or in exchange for or in lieu of any other bond shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other bond and each such bond shall bear interest from such date, that neither gain nor loss in interest shall result from such transfer, exchange or substitution.

(III) The principal of and interest on each bond of the Eleventh Series shall be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts or in such other currency or currency unit as shall be determined by or in accordance with a Resolution filed with the Trustee.

(IV) Each bond of the Eleventh Series may be redeemable prior to maturity at the option of the Company, as determined by or in accordance with a Resolution filed with the Trustee. The Company may redeem any of the bonds of the Eleventh Series which are redeemable and remain outstanding either in whole or from time to time in part, upon not less than 30 nor more than 60 days' notice in accordance with Section 12.02 of the Mortgage.

(V) Each bond of the Eleventh Series may be subject to the obligation of the Company to prepay or purchase such bond at the option of the holder thereof, as determined by or in accordance with a Resolution filed with the Trustee.

(VI) Each bond of the Eleventh Series may have such other terms as are not inconsistent with Section 2.03 of the Mortgage and as may be determined by or in accordance with a Resolution filed with the Trustee.

(VII) At the option of the registered owner, any bonds of the Eleventh Series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, shall be exchangeable for a like aggregate principal amount of bonds of the same series of other authorized denominations.

(VIII) Bonds of the Eleventh Series shall be transferable, subject to any restrictions thereon set forth in any such bond of the Eleventh Series, upon the surrender thereof for cancellation, together with a written instrument of transfer in form approved by the registrar duly executed by the registered owner or by his duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York. Upon any transfer or exchange of bonds of the Eleventh Series, the Company may make a charge therefor sufficient to reimburse it for any tax or taxes or other governmental charge, as provided in Section 2.08 of the Mortgage, but the Company hereby waives any right to make a charge in addition thereto for any exchange or transfer of bonds of the Eleventh Series.

(IX) After the execution and delivery of this Ninth Supplemental Indenture and upon compliance with the applicable provisions of the Mortgage and this Ninth Supplemental Indenture, it is contemplated that there shall be issued from time to time bonds of the Eleventh Series in an aggregate principal amount not to exceed Five Hundred Million Dollars (\$500,000,000). Bonds of the Eleventh Series shall be issued pro rata on the basis of Class "A" Bonds of the Fifty-seventh Series, designated "First Mortgage Bond Medium-Term Notes, Series G," issued under each of the Utah Mortgage and the Pacific Mortgage and delivered to the Trustee. The claim of the registered owner of any such Class "A" Bond shall be limited to the principal amount of the bonds of the Eleventh Series issued and Outstanding on the basis of such Class "A" Bond.

(X) Upon receipt by the Trustee from time to time of a written request or requests (stating that the Trustee holds an aggregate principal amount of Class "A" Bonds of the Fifty-seventh Series, designated "First Mortgage Bond Medium-Term Notes, Series G," issued under the Utah Mortgage and the Pacific Mortgage which exceeds the principal amount of bonds of the Eleventh Series then Outstanding and stating the amount

of such excess and the principal amount of any such Class "A" Bonds to be cancelled) executed by an Authorized Executive Officer of the Company, the Trustee shall return to the corporate trustee under the Utah Mortgage or corporate trustee under the Pacific Mortgage, as the case may be, for cancellation, a principal amount of Class "A" Bonds issued in the name of and held by the Trustee with respect to bonds of the Eleventh Series not to exceed the excess of the principal amount of such Class "A" Bonds then so held over the principal amount of bonds of the Eleventh Series then Outstanding. Upon cancellation of any such principal amount of Class "A" Bonds, the Trustee shall receive from the corporate trustee under the Utah Mortgage or corporate trustee under the Pacific Mortgage, as the case may be, a Class "A" Bond in the principal amount not so cancelled.

(XI) The Trustee shall, within 30 days after any due date for the payment of interest or principal on bonds of the Eleventh Series, with respect to which due date full payment has not been made, notify in writing (signed by the President, a Vice President, an Assistant Vice President or a Trust Officer) the corporate trustees under each of the Utah Mortgage and Pacific Mortgage that interest or principal due and payable on such bonds has not been fully paid and the amount of funds required to make such payment. If after such notice is given, the Company cures the nonpayment within the cure period permitted in the Mortgage, the Trustee shall, as soon as practicable, notify the corporate trustees under the Utah Mortgage and Pacific Mortgage of such cure.

ARTICLE II

The Company Reserves the Right to Amend Provisions Regarding Properties Excepted from Lien of Mortgage

SECTION 2.01. The Company reserves the right, without any consent or other action by holders of bonds of the Eighth Series, or any series of bonds subsequently created under the Mortgage (including the bonds of the Eleventh Series), to make such amendments to the Mortgage, as heretofore amended and supplemented, as shall be necessary in order to

amend the first proviso to the granting clause of the Mortgage, which proviso sets forth the properties excepted from the Lien of the Mortgage, to add a new exception (10) which shall read as follows:
