BOUNDARY LINE AGREEMENT

Boundary line agreement between Longview Fibre Co. and Ken W. Peterson Co. Inc., recorded in Volume 148 of Pages 185/186 under Auditor's File No. 121600

NARRATIVE

The purpose of this survey was to locate agreed upon property lines between Ken W. Peterson Co. and Longview Fibre Co. The North West Section Corner of Section 16 was undeterminable, therefore, the section subdivision is based on the corners of record. The property corners shown as set are not 1/4 Corners and the boundaries marked are from recorded under Auditor's File No. 76952, as not original. The position was noted on previous Right of Way maps as the 1/4 Corner. This survey has accepted the position as a Property Corner and the subdivision of the Section developed from the noted position. Therefore the Interior Corners noted on this Survey do not represent Subdivisional Corners and are not controlling for the further subdivision of this Section. The Corners set are only binding to Ken W. Peterson Co. and Longview Fibre Co. and their assignees.
