- 12. TAXES, ASSESSMENTS AND UTILITY LIENS. Buyer agrees to pay by the date due all taxes and assessments becoming a lien against the property after the date of this Contract. Buyer may in good faith contest any such taxes or assessments so long as no forfeiture or sale of the property is threatened as the result of such contest. Buyer agrees to pay when due any utility charges which may become liens superior to Seller's interest under this Contract. If real estate taxes and penalties are assessed against the property subsequent to date of this Contract because of a change in use prior to the date of this Contract for Open Space, Farm, Agricultural or Timber classifications approved by the County or because of a Senior Citizen's Declaration to Defer Property Taxes filed prior to the date of this Contract, Buyer may demand in writing payment of such taxes and penalties within 30 days. If payment is not made, Buyer may pay and deduct the amount thereof plus 5% penalty from the payments next becoming due Seller under the Contract.
- 13. INSURANCE. Buyer agrees to keep all buildings now or hereafter erected on the property described herein continuously insured under fire and extended coverage policies in an amount not less than the balances owed on obligations assumed by Buyer plus the balance due Seller, or full insurable value, whichever is lower. All policies shall be held by the Seller and be in such companies as the Seller may approve and have loss payable first to any holders of underlying encumbrances, then to Seller as their interests may appear and then to Buyer. Buyer may within 30 days after loss negotiate a contract to substanially restore the premises to their condition before the loss. If the insurance proceeds are sufficient to pay the contract price for restoration or if the Buyer deposits in escrow any deficiency with instructions to apply the funds on the resortation contract, the property shall be restored unless the underlying encumbrances provide otherwise. Otherwise the amount collected under any insurance policy shall be applied upon any amounts due hereunder in such order as the Seller shall determine. In the event of forfeiture, all rights of Buyer in insurance policies then in force shall pass to Seller.
- 14. NONPAYMENT OF TAXES, INSURANCE AND UTILITIES CONSTITUTING LIENS. If Buyer fails to pay taxes or assessments, insurance premiums or utility charges constituting liens prior to Seller's interest under this Contract, Seller may pay such items and Buyer shall forthwith pay Seller the amount thereof plus a late charge of 5% of the amount thereof plus any costs and attorney's fees incurred in connection with making such payment.
- 15. CONDITION OF PROPERTY. Buyer accepts the property in its present condition and acknowledges that Seller, his agents and subagents have made no representation or warranty concerning the physical condition of the property or the uses to which it may be put other than as set forth herein. Buyer agrees to maintain the property in such condition as complies with all applicable laws.
- 16 RISK OF LOSS. Buyer shall bear the risk of loss for destruction or condemnation of the property. Any such loss shall not relieve Buyer from any of Buyer's obligations pursuant to this Contract.
- 17. WASTE. Buyer shall keep the property in good repair and shall not commit or suffer waste or willful damage to or destruction of the property. Buyer shall not remove commercial timber without the written consent of Seller.
- 18. AGRICULTURAL USE. If this property is to be used principally for agricultural purposes, Buyer agrees to conduct farm and livestock operations in accordance with good husbandry practices. In the event a forfeiture action is instituted, Buyer consents to Seller's entry on the premises to take any reasonable action to conserve soil, crops, trees and livestock.
- 19. CONDEMNATION. Seller and buyer may each appear as owners of an interest in the property in any action concerning condemnation of any part of the property. Buyer may within 30 days after condemnation and removal of improvements, negotiate a contract to substantially restore the premises to their condition before the removal. If the condemnation proceeds are sufficient to pay the contract price for restoration or if the Buyer deposits in escrow any deficiency with instructions to apply the funds on the restoration contract, the property shall be restored unless underlying encumbrances provide otherwise. Otherwise, proceeds of the award shall be applied in payment of the balance due on the purchase price, as Seller may direct.
- 20. DEFAULT. If the Buyer fails to observe or perform any term, covenant or condition of this Contract, Seller may:
 - (a) Suit for Installments. Sue for any delinquent periodic payment; or
- (b) Specific Performance. Sue for specific performance of any of Buyer's obligations pursuant to this Contract; or
- (c) Forfeit Buyer's Interest. Forfeit this Contract pursuant to Ch. 61.30, RCW, as it is presently enacted and may hereafter be amended. The effect of such forfeiture includes: (i) all right, title and interest in the property of the Buyer and all persons claiming through the Buyer shall be terminated; (ii) the Buyer's rights under the Contract shall be cancelled; (iii) all sums previously paid under the Contract shall belong to and be retained by the Seller or other person to whom paid and entitled thereto; (iv) all improvements made to and unharvested crops on the property shall belong to the Seller; and (v) Buyer shall be required to surrender possession of the property, improvements, and unharvested crops to the Seller 10 days after the forfeiture.
- (d) Acceleration of Balance Due. Give Buyer written notice demanding payment of said delinquencies and payment of a late charge of 5% of the amount of such delinquent payments and payment of Seller's reasonable attorney's fees and costs incurred for services in preparing and sending such Notice and stating that if payment pursuant to said Notice is not received within thirty (30) days after the date said Notice is either deposited in the mail addressed to the Buyer or personally delivered to the Buyer, the entire balance owing, including interest, will become immediately due and payable. Seller may thereupon institute suit for payment of such balance, interest, late charge and reasonable attorneys' fees and costs.
- (e) Judicial Foreclosure. Sue to foreclose this contract as a mortgage, in which event Buyer may be liable for a deficiency.
- 21. RECEIVER. If Seller has institued any proceedings specified in Paragraph 20 and Buyer is receiving rental or other income from the property. Buyer agrees that the appointment of a receiver for the property is necessary to protect Seller's interest.

- BUYER'S REMEDY FOR SELLER'S DEFAULT. If Seller fails to observe or perform any term, covenant or condition of this Contract, Buyer may, after 30 days' written notice to Seller, institute suit for damages or specific performance unless the breaches designated in said notice are cured.
- NON-WAIVER. Failure of cither party to insist upon strict performance of the other party's obligations hereunder shall not be construed as a waiver of strict performance thereafter of all of the other party's obligations hereunder and shall not prejudice any remedies as provided herein.
- 24. ATTORNEYS' FEES AND COSTS. In the event of any breach of this Contract, the party responsible for the breach agrees to pay reasonable attorneys' fees and costs, including costs of service of notices and title searches, incurred by the other party. The prevailing party in any suit instituted arising out of this Contract and in any forfeiture proceedings arising out of this Contract shall be entitled to receive reasonable attorneys' fees and costs incurred in such suit or proceedings.
