Re: Amendment to Scenic Area application NSA-95-22

Dear Mr. Ecker:

This letter is in response to your request of August 3, 1995, to amend your Scenic Area Application to include the addition of a new deck onto the existing deck and residence. The addition does not appear to exceed the scope of the original proposal, and therefore, the modification is hereby approved, provided that all development shall comply with the original conditions of approval.

If you have any questions, please give me a call at 509-427-9458.

Very truly yours,

Harpreet Sandhu  
Director
