

SURVEY IN S¹/₂ NE¹/₄ SEC. 28, T.2 N., R.5 E., W.M.

TRAVERSE STATEMENT & SURVEY NARRATIVE: A closed field traverse was made about the existing parcel with ties to found corners and other items of importance, the purpose of which was to restore and/or set all corners of this parcel. All work was conducted during the period of January 4 - February 21, 1996 using a ten-second total station and related measuring equipment, all of which met state standards (WAC 332-130-090) at the time of this survey. Acceptable raw data in excess of 1:5000 was balanced by compass adjustment to effect mathematical closure. No encroachments were noted during the survey.

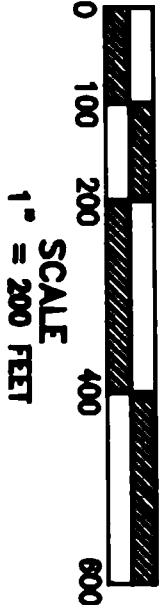

DESCRIPTION OF PARCEL may be described as Lot 2 of the MCNEE-HAMILTON Short Plat as shown on the documents thereof recorded in Book 2, Page 91 of Short Plats, PLUS the parcel described in that particular document recorded in Book 151, Page 3 of Deeds; ALL records of Skamania County Auditor.

- LEGEND
- Set 5/8" X 30" iron rod w/plastic cap
 - Corner of record
 - Calculated, not set or found
 - () Call of record
