This assignment is recorded in accordance with RCW 65.06.070; the lien created by this assignment is intended to be specific, perfected and choose upon the recording of this Deed of Trust. DUE ON SALE - CONSENT BY LENDER. Lender may, at its option, (a) declare immediately due and payable all sums secured by this Deed of Trust or (b) increase the interest rate provided for in the Note or other document evidencing the indebtedness and impose such other conditions as Lender deems appropriate, upon the sale or transfer, without the Lender's prior written consent, of all or any part of the Real Property, or any interest in the Real Property. A "sale or transfer" means the conveyance of Real Property or any right, title or interest therein; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract, or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Real Property, or by any other method of conveyance of Real Property interest. If any Grantor is a corporation, partnership or limited liability company, transfer also includes any change in ownership of more than twenty-five percent (25%) of the voting stock, partnership interests or limited liability company interests, as the case may be, of Grantor. However, this option shall not be exercised by Lender if such exercise is prohibited by federal law or by Washington law.

TAXES AND LIENS. The following provisions relating to the taxes and liens on the Property are a part of this Deed of Trust.

Payment. Grantor shall pay when due (and in all events prior to delinquency) all taxes, special taxes, assessments, charges (including water and sewer), fines and impositions levied against or on account of the Property, and shall pay when due all claims for work done on or for services rendered or material furnished to the Property. Grantor shall maintain the Property free of all liens having priority over or equal to the interest of Lender under this Deed of Trust, except for the lien of taxes and assessments not due and except as otherwise provided in this Deed of Trust.

Right To Contest. Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Lender's interest in the Property is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within fifteen (15) days after the lien arises or, if a lien is filed, within fifteen (15) days after Grantor has notice of the filing, secure the discharge of the lien, or if requested by Lender, deposit with Lender cash or a sufficient corporate surety bond or other security satisfactory to Lender in an amount sufficient to discharge the lien plus any costs and attorneys' fees or other charges that could accrue as a result of a foreclosure or sale under the lien. In any contest, Grantor shall defend itself and Lender and shall satisfy any adverse judgment before enforcement against the Property. Grantor shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

Evidence of Payment. Grantor shall upon demand furnish to Lender satisfactory evidence of payment of the taxes or assessments and shall authorize the appropriate governmental official to deliver to Lender at any time a written statement of the taxes and assessments against the Property.

Notice of Construction. Grantor shall notify Lender at least fifteen (15) days before any work is commenced, any services are furnished, or any materials are supplied to the Property, if any mechanic's lien, materialman's lien, or other lien could be asserted on account of the work, services, or materials. Grantor will upon request of Lender furnish to Lender advance assurances satisfactory to Lender that Grantor can and will pay the cost of such improvements.

PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Deed of Trust.

Maintenance of Insurance. Grantor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insurable value covering all improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Lender, together with such other hazard and liability insurance as Lender may reasonably require. Policies shall be written in form, amounts, coverages and basis reasonably acceptable to Lender and issued by a company or companies reasonably acceptable to Lender. Grantor, upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender, including stipulations that coverages will not be cancelled or diminished without at least ten (10) days' prior written notice to Lender. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. Should the Real Property at any time become located in an area designated by the Director of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain Federal Flood Insurance to the extent such insurance is required by Lender and is or becomes available, for the term of the loan and for the full unpaid principal balance of the loan, or the maximum limit of coverage that is available, whichever is less.

Application of Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Property if the estimated cost of repair or replacement exceeds \$500.00. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. Whether or not Lender's security is impaired, Lender may, at its election, receive and retain the proceeds of any insurance and apply the proceeds to the reduction of the indebtedness, payment of any lien affecting the Property, or the restoration and repair of the Property. If Lender elects to apply the proceeds to restoration and repair, Grantor shall repair or replace the damaged or destroyed improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default under this Deed of Trust. Any proceeds which have not been disbursed within 180 days after their receipt by Lender shall be used first to pay any amount owing to Lender under this Deed of Trust, then to pay accrued interest, and the remainder, if any, shall be applied to the principal balance of the indebtedness. If Lender holds any proceeds after payment in full of the indebtedness, such proceeds shall be paid without interest to Grantor as Grantor's interests may appear.

Unexpired Insurance at Sale. Any unexpired insurance shall inure to the benefit of, and pass to, the purchaser of the Property covered by this Deed of Trust at any trustee's sale or other sale held under the provisions of this Deed of Trust, or at any foreclosure sale of such Property.

EXPENDITURES BY LENDER. If Grantor fails to comply with any provision of this Deed of Trust, or if any action or proceeding is commenced that would materially affect Lender's interests in the Property, Lender on Grantor's behalf may, but shall not be required to, take any action that Lender deems appropriate. Any amount that Lender expends in so doing will bear interest at the rate provided for in the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses, at Lender's option, will (a) be payable on demand, (b) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Note, or (c) be treated as a balloon payment which will be due and payable at the Note's maturity. This Deed of Trust also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Lender may be entitled on account of the default. Any such action by Lender shall not be construed as curing the default so as to bar Lender from any remedy that it otherwise would have had.

WARRANTY; DEFENSE OF TITLE. The following provisions relating to ownership of the Property are a part of this Deed of Trust.

Title. Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Deed of Trust, and (b) Grantor has the full right, power, and authority to execute and deliver this Deed of Trust to Lender.

sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's property or Borrower's or any Grantor's ability to repay the Loans or perform their respective obligations under this Deed of Trust or any of the Related Documents.

Compliance Default. Failure of Grantor to comply with any other term, obligation, covenant or condition contained in this Deed of Trust, the Note or in any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by or on behalf of Grantor under this Deed of Trust, the Note or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished.

Defective Collateralization. This Deed of Trust or any of the Related Documents ceases to be in full force and effect (including failure of any collateral documents to create a valid and perfected security interest or lien) at any time and for any reason.

Death or Insolvency. The death of any Grantor, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Foreclosure, Forfeiture, etc. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against any of the Property. However, this subsection shall not apply in the event of a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the foreclosure or forfeiture proceeding, provided that Grantor gives Lender written notice of such claim and furnishes reserves or a surety bond for the claim satisfactory to Lender.

Breach of Other Agreement. Any breach by Grantor under the terms of any other agreement between Grantor and Lender that is not remedied within any grace period provided therein, including without limitation any agreement concerning any indebtedness or other obligation of Grantor to Lender, whether existing now or later.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness. Lender, at its option, may, but shall not be required to, permit the Guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Lender, and, in doing so, cure the Event of Default.

Right to Cure. If such a failure is curable and if Grantor has not been given a notice of a breach of the same provision of this Deed of Trust within the preceding twelve (12) months, it may be cured (and no Event of Default will have occurred) if Grantor, after Lender sends written notice demanding cure of such failure: (a) cures the failure within fifteen (15) days; or (b) if the cure requires more than fifteen (15) days, immediately institutes steps sufficient to cure the failure and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of any Event of Default and at any time thereafter, Trustee or Lender, at its option, may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

Accelerate Indebtedness. Lender shall have the right at its option to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Grantor would be required to pay.

Foreclosure. With respect to all or any part of the Real Property, the Trustee shall have the right to exercise its power of sale and to foreclose by notice and sale, and Lender shall have the right to foreclose by judicial foreclosure, in either case in accordance with and to the full extent provided by applicable law.

UCC Remedies. With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Collect Rents. Lender shall have the right, without notice to Grantor, to take possession of and manage the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Appoint Receiver. Lender shall have the right to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding or pending foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Tenancy at Sufferance. If Grantor remains in possession of the Property after the Property is sold as provided above or Lender otherwise becomes entitled to possession of the Property upon default of Grantor, Grantor shall become a tenant at sufferance of Lender or the purchaser of the Property and shall, at Lender's option, either (a) pay a reasonable rental for the use of the Property, or (b) vacate the Property immediately upon the demand of Lender.

Other Remedies. Trustee or Lender shall have any other right or remedy provided in this Deed of Trust or the Note or by law.

Notice of Sale. Lender shall give Grantor reasonable notice of the time and place of any public sale of the Personal Property or of the time after which any private sale or other intended disposition of the Personal Property is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition. Any sale of Personal Property may be made in conjunction with any sale of the Real Property.

Sale of the Property. To the extent permitted by applicable law, Grantor hereby waives any and all rights to have the Property marshalled. In exercising its rights and remedies, the Trustee or Lender shall be free to sell all or any part of the Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Property.

Waiver; Election of Remedies. A waiver by any party of a breach of a provision of this Deed of Trust shall not constitute a waiver of or prejudice the party's rights otherwise to demand strict compliance with that provision or any other provision. Election by Lender to pursue any remedy provided in this Deed of Trust, the Note, in any Related Document, or provided by law shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Deed of Trust after failure of Grantor to perform shall not affect Lender's right to declare a default and to exercise any of its remedies.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Deed of Trust, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and on any appeal. Whether or not any court action is involved,

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards,

[Handwritten signature]

9. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured

Instrument; and (c) any excess to the person or persons legally entitled to it or to the clerk of the superior court of the county in which the sale took place.

22. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty and without charge to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs.

23. Substitute Trustee. In accordance with applicable law, Lender may from time to time appoint a successor trustee to any Trustee appointed hereunder who has ceased to act. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

24. Use of Property. The Property is not used principally for agricultural or farming purposes.

25. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. REQUEST FOR RECONVEYANCE

TO TRUSTEE:
The undersigned is the holder of the note or notes secured by this Deed of Trust. Said note or notes, together with all other indebtedness secured by this Deed of Trust, have been paid in full. You are hereby directed to cancel said note or notes and this Deed of Trust, which are delivered hereby, and to reconvey, without warranty, all the estate now held by you under this Deed of Trust to the person or persons legally entitled thereto.

Date:

PAYMENT RIDER

THIS PAYMENT RIDER is made this 31ST day of MARCH, 1996 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to RIVERVIEW SAVINGS BANK, FSB, ORGANIZED AND EXISTING UNDER THE LAWS OF THE UNITED STATES OF AMERICA (the "Lender") of the same date and covering the property described in the Security Instrument and located at: 101 BROOKS RD, CARSON, WA 98610

[Property Address]

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. SCHEDULED PAYMENTS OF PRINCIPAL AND INTEREST

The Note provides for scheduled payments of principal and interest as follows:

3. PAYMENTS**(A) Scheduled Payments**

I will pay principal and interest by making payments when scheduled:

☒ I will make 59 payments of \$396.81 each on the 1ST of each MONTH beginning on MAY 1, 1996

☐ I will make payments as follows:

☒ In addition to the payments described above, I will pay a "balloon payment" of \$31,062.06 on APRIL 1, 2001. The Note Holder will deliver or mail to me notice prior to maturity that the balloon payment is due. This notice will state the balloon payment amount and the date that it is due.

(B) Maturity Date and Place of Payments

I will make these payments as scheduled until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My scheduled payments will be applied to interest before principal. If, on APRIL 1, 2001, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "maturity date."

I will make my scheduled payments at 700 NE FOURTH AVE, PO BOX 1068, CAMAS, WA 98607 or at a different place if required by the Note Holder.

B. FUNDS FOR TAXES AND INSURANCE

[Mark one]

- ☐ Uniform Covenant 2 of the Security Instrument is waived by the Lender.
☐ Uniform Covenant 2 of the Security Instrument is amended to read as follows:

2. SCHEDULED PAYMENTS FOR TAXES AND INSURANCE**(A) Borrower's Obligations**

I will pay to Lender all amounts necessary to pay for taxes, assessments, leasehold payments or ground rents (if any), and hazard insurance on the Property and mortgage insurance (if any). I will pay those amounts to Lender unless Lender tells me, in writing, that I do not have to do so, or unless the law requires otherwise. I will make those payments on the same day that my scheduled payments of principal and interest are due under the Note.

Each of my payments under this Paragraph 2 will be the sum of the following:

- (i) The estimated yearly taxes and assessments on the Property which under the law may be superior to this Security Instrument, divided by the number of scheduled payments in a year; plus,
- (ii) The estimated yearly leasehold payments or ground rents on the Property, if any, divided by the number of scheduled payments in a year; plus,

- (iii) The estimated yearly premium for hazard insurance covering the Property, divided by the number of scheduled payments in a year; plus,
- (iv) The estimated yearly premium for mortgage insurance (if any), divided by the number of scheduled payments in a year.

Lender will estimate from time to time my yearly taxes, assessments, leasehold payments or ground rents and insurance premiums, which will be called the "escrow items." Lender will use existing assessments and bills and reasonable estimates of future assessments and bills. The amounts that I pay to Lender for escrow items under this Paragraph 2 will be called the "Funds."

(B) Lender's Obligations

Lender will keep the Funds in a savings or banking institution which has its deposits or accounts insured or guaranteed by a federal or state agency. If Lender is such an institution, Lender may hold the Funds. Except as described in this Paragraph 2, Lender will use the Funds to pay the escrow items. Lender will give to me, without charge, an annual accounting of the Funds. That accounting must show all additions to and deductions from the Funds and the reason for each deduction.

Lender may not charge me for holding or keeping the Funds, for using the Funds to pay escrow items, for analyzing my payments of Funds, or for receiving, verifying and totaling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Funds and if the law permits Lender to make such a charge. Lender will not be required to pay me any interest or earnings on the Funds unless either (i) Lender and I agree in writing, at the time I sign this Security Instrument, that Lender will pay interest on the Funds; or (ii) the law requires Lender to pay interest on the Funds.

(C) Adjustments to the Funds

If Lender's estimates are too high or if taxes and insurance rates go down, the amounts that I pay under this Paragraph 2 will be too large. If this happens at a time when I am keeping all of my promises and agreements made in this Security Instrument, I will have the right to have the excess amount either promptly repaid to me as a direct refund or credited to my future scheduled payments of Funds. There will be excess amounts if, at any time, the sum of (i) the amount of Funds which Lender is holding or keeping, plus (ii) the amount of the scheduled payments of Funds which I still must pay between that time and the due dates of escrow items is greater than the amount necessary to pay the escrow items when they are due.

If, when payments of escrow items are due, Lender has not received enough Funds to make those payments, I will pay to Lender whatever additional amount is necessary to pay the escrow items in full. I must pay that additional amount in one or more payments as Lender may require.

When I have paid all of the sums secured, Lender will promptly refund to me any Funds that are then being held by Lender. If, as a result of the exercise by Lender of any of its rights under this Security Instrument, either Lender acquires the Property or the Property is sold, then immediately before the acquisition or sale, Lender will use any Funds which Lender is holding at the time to reduce the sums secured.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Payment Rider.

become subject to any lien or encumbrance which threatens the validity or priority of this instrument; that during the continuance of this Deed of Trust, Grantor will neither cause nor suffer waste of any part of the above described property.

3. Grantor will keep the improvements upon such property constantly insured for the benefit of the Beneficiary against fire and all other hazards and risks as described in the Agreement, in such manner and amount and in such companies and under policies in form acceptable to Beneficiary.
4. Grantor will pay all taxes, liens and assessments now or hereafter levied upon or charged by any governmental body against the above described property or on account thereof and against this instrument and the debt hereby secured and the interest thereon and exhibit to the Beneficiary official receipts showing payment thereof ten days before the delinquency of such taxes, liens and assessments; Beneficiary shall be the sole judge of the legality and validity of any tax, lien or charge and official receipts therefor shall be conclusive evidence of the payment, amount and validity thereof unless Grantor in good faith is diligently contesting the same and shall indemnify the Beneficiary thereof to its satisfaction.
5. There exists a prior mortgage(s)-deed(s) of trust on the property above described as follows:

None

The Grantor further covenants that all payments due on the prior mortgage(s)-deed(s) of trust pursuant to the terms thereof are current, and the Grantor covenants and agrees to make all payments required on said prior mortgage(s)-deed(s) of trust pursuant to the terms thereof. The Grantor grants Beneficiary the right to inform all prior beneficiaries of the existence of this instrument and the right to request prior beneficiaries for notification in the event of default on said mortgage(s)-deed(s) of trust.

6. In any suit to foreclose this Deed of Trust or in any nonjudicial foreclosure pursuant to RCW Chapter 61.24, or in any suit or proceeding in which the Beneficiary is obligated to defend or protect the lien hereof, or in which Beneficiary is a party and the above described real property or any part thereof is the subject matter thereof, including suits to quiet title or for condemnation or partition of the whole or part of said property, or any interest therein, Grantor agrees to pay Beneficiary all costs and a reasonable attorney's fee, including all such costs and reasonable attorney's fees incurred in any appeal taken therefrom to any appellate court, and further agrees to pay such reasonable costs of searching records and abstracting the same as may necessarily be incurred in foreclosing this instrument or defending the same, or participating in any suit or proceeding above referred to, which sum shall be secured hereby and included in any decree of foreclosure. In the absence of any such suit or proceeding and in case of default, Grantor agrees to pay such necessary expenses, including reasonable attorney's fees, incurred by Beneficiary in making collection of delinquent payments or curing any other default. Acceleration of maturity once claimed hereunder by Beneficiary may, at the Beneficiary's option, be set aside.
7. Upon the occurrence of an event of default hereunder, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary. No waiver by Beneficiary of any default on the part of Grantor shall be construed as a waiver of any subsequent default hereunder. In event of such default and upon written request of Beneficiary, Trustee shall sell the trust property, in accordance with the Deed of Trust Act of the State of Washington, (RCW Chapter 61.24 as existing now, or hereafter amended), at public auction to the highest bidder. Any person except Trustee may bid at Trustee's sale. Trustee shall apply the proceeds of the sale as follows: (1) to the expense of sale, including a reasonable Trustee's fee and attorney's fee; (2) to the obligation secured by this Deed of Trust; (3) the surplus, if any, shall be distributed to the persons entitled thereto. Trustee shall deliver to the purchaser at the sale its deed, without warranty, which shall convey to the purchaser the interest in the property which Grantor had or had the power to convey at the time of his execution of this Deed of Trust, and such as he may have acquired thereafter. Trustee's deed shall recite the facts showing that the sale was conducted in compliance with all the requirements of law and of this Deed of Trust, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of bona fide purchasers and encumbrances for value. The power of sale conferred by the deed of trust and by the Deed of Trust Act of the State of Washington is not an exclusive remedy and when not exercised, Beneficiary may foreclose this Deed of Trust as a mortgage. In the event of death, incapacity or disability or resignation of Trustee, Beneficiary may appoint in writing a successor trustee, and upon the recording of such appointment in the mortgage records of the county in which this Deed of Trust is recorded, the successor trustee shall be vested with all powers of the original trustee. The trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Grantor, Trustee or Beneficiary shall be a party unless such action or proceeding is brought by the Trustee.
8. This Deed of Trust applies to, insures to the benefit of, and is binding not only on the parties hereto, but on their heirs, devisees, legatees, administrators, executors, successors and assigns. All obligations of Grantor hereunder are joint and several. The term "Beneficiary" shall mean the holder and owner, including pledgees, of the indebtedness secured hereby, whether or not named as Beneficiary herein. Without affecting the liability of any other person for the payment of any obligation herein mentioned (including Grantor should he convey said real property) and without affecting the lien hereof upon any property mentioned and without affecting the lien hereof upon any property not released, Beneficiary may, without notice, release or reconvey or cause to be released or reconveyed at any time all or any part of the realty described herein, take or release any other security or make compositions or other arrangements with debtors. Beneficiary may also accept additional security, either concurrently herewith or thereafter, and sell same or otherwise realize thereon either before, concurrently with or after sale hereunder.
