FOR
CARTER OLSON

SURVEY in SW¹/₄SW¹/₄ SEC. 23, T.3 N., R.8 E., W.M. of Lot 1 of BERNICE BERGE SHORT PLAT.

TRAVERSE STATEMENT & SURVEY NARRATIVE: A closed field traverse for the parcel shown was made with a ten-second total station and related measuring equipment, all of which met state standards (WAC 332-130-090) at the time of this survey. Acceptable raw angular and distance closures in excess of 1:10000 were balanced by compass adjustment where necessary to effect mathematical closure. No encroachments, except where noted, were found during this survey, the purpose of which was to establish the exterior corners of the parcel. Field work was conducted during the period of April 6-14, 1993 and March 25, 1996 in conjunction with work on the adjacent Berge Cemetery.

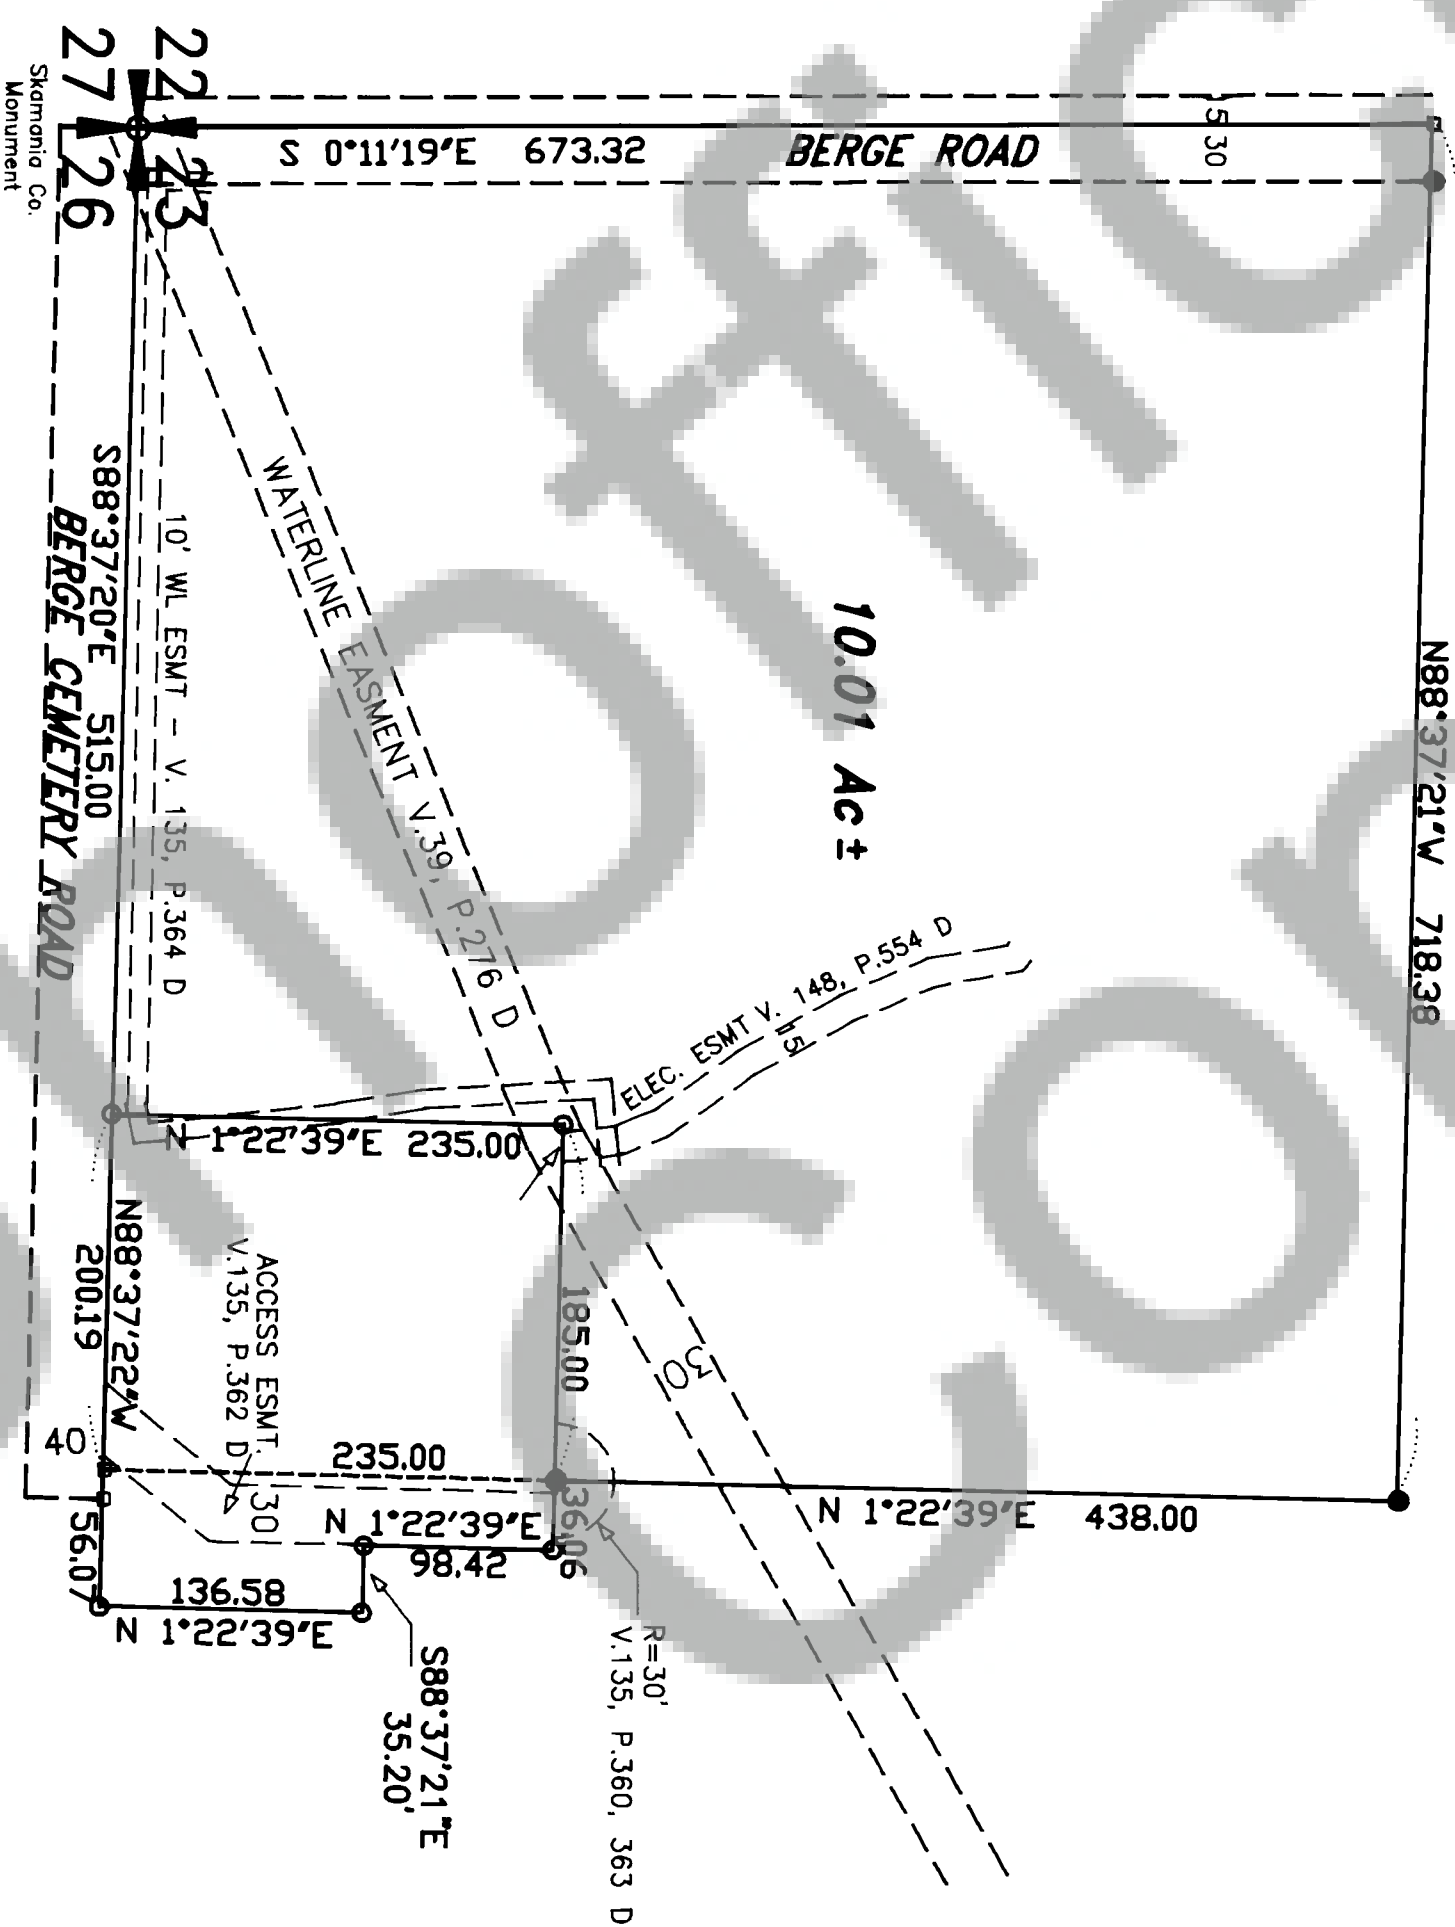

DESCRIPTION of parcel is Lot 1 of the BERNICE BERGE Short Plat as shown and described on the map thereof recorded in Book 3, Page 193 of Short Plats, Skamania County Auditor No. 101141, recorded May 14, 1986.

REFERENCE and basis of bearings for this survey taken from B. 3, Page 193 of Short Plats, as adjusted for minor differences
