Re: Amendment to Scenic Area application NSA-95-99

Dear Mr. Richards:

This letter is in response to your request to modify the approved equipment/storage shop substituting an earth berm for the retaining wall. Approval condition #1 required that the north side of the building be built into the hillside with a 7 foot retaining wall to help screen the structure from key viewing areas. The earth berm, if constructed correctly, will accomplish the same purpose. Your request is hereby granted and approved, subject to the following conditions:

1. The earth berm shall measure 4 feet in height, 8 feet in width, and shall extend 15 feet beyond the east side of the building and 15 feet beyond the west side of the building or to the driveway.
2. The berm shall be replanted with native ground cover.
3. 4 of the 8 screening trees shall be placed on the north side of the berm.
4. All of the screening trees shall be planted within 15 feet of the peak of the berm.

All other conditions in your original approval are still applicable for the revised structure. If you have any questions, please give me a call at 509-427-9458.

Sincerely,

Ginger Meyers-Davidson
Planner

BOOK 155 PAGE 987

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum (Funds) for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, if accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentally, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing; and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. **Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless intervening circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any foreclosure action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. **Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

If Lender invokes the power of sale, Lender shall give written notice to Trustee of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee and Lender shall take such action regarding notice of sale and shall give such notice to Borrower and to other persons as applicable law may require. After the time required by applicable law and after publication of the notice of sale, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of the Property for a period or periods permitted by applicable law by public announcement at the time and place fixed in the notice of sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it or to the clerk of the superior court of the county in which the sale took place.

22. **Reconveyance.** Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty and Lender shall charge Borrower a release fee in an amount allowed by applicable law. Such person or persons shall pay any recordation costs.

23. **Substitute Trustee.** In accordance with applicable law, Lender may from time to time appoint a successor trustee to any Trustee appointed hereunder who has ceased to act. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

24. **Use of Property.** The Property is not used principally for agricultural or farming purposes.

25. **Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Deed of Trust.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Deed of Trust, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 17 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Deed of Trust.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, then to interest payable on the Note, and then to the principal of the Note.

4. Prior Mortgages and Deeds of Trust; Charges; Liens. Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Deed of Trust, and leasehold payments or ground rents, if any.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and such other hazards as Lender may require and in such amounts and for such periods as Lender may require.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

6. Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments. Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Deed of Trust is on a leasehold. If this Deed of Trust is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

7. Protection of Lender's Security. If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorneys' fees, and take such action as is necessary to protect Lender's interest. If Lender required mortgage insurance as a condition of making the loan secured by this Deed of Trust, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

Any amounts disbursed by Lender pursuant to this paragraph 7, with interest thereon, at the Note rate, shall become additional indebtedness of Borrower secured by this Deed of Trust. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder.

8. Inspection. Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefor related to Lender's interest in the Property.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

10. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Deed of Trust granted by Lender to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Deed of Trust by reason of any demand made by the original Borrower and Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 16 hereof. All covenants and agreements of Borrower shall be joint and several. Any Borrower who co-signs this Deed of Trust, but does not execute the Note, (a) is co-signing this Deed of Trust only to grant and convey that Borrower's interest in the Property to Trustee under the terms of this Deed of Trust, (b) is not personally liable on the Note or under this Deed of Trust, and (c) agrees that Lender and any other Borrower hereunder may agree to extend, modify, forbear, or make any other accommodations with regard to the terms of this Deed of Trust or the Note, without that Borrower's consent and without releasing that Borrower or modifying this Deed of Trust as to that Borrower's interest in the Property.

12. Notice. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Deed of Trust shall be given by delivering it or by mailing such notice by certified mail addressed to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

20. Reconveyance. Upon payment of all sums secured by this Deed of Trust, Lender shall request Trustee to reconvey the Property and shall surrender this Deed of Trust and all notes evidencing indebtedness secured by this Deed of Trust to Trustee. Trustee shall reconvey the Property without warranty and without charge to the person or persons legally entitled thereto. Such person or persons shall pay all costs of recordation, if any.

21. Substitute Trustee. In accordance with applicable law, Lender may from time to time appoint a successor trustee to any Trustee appointed hereunder who has ceased to act. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon the Trustee herein and by applicable law.

22. Use of Property. The Property is not used principally for agricultural or farming purposes.

[Space Below This Line Reserved For Lender and Recorder]

1. **Payments.** Borrower agrees to make all payments on the secured debt when due. Unless Borrower and Lender agree otherwise, any payments Lender receives from Borrower or for Borrower's benefit will be applied first to any amounts Borrower owes on the secured debt exclusive of interest or principal, second to interest, and then to principal. If partial prepayment of the secured debt occurs for any reason, it will not reduce or excuse any scheduled payment until the secured debt is paid in full.
2. **Claims Against Title.** Borrower will pay all taxes, assessments, and other charges attributable to the property when due and will defend title to the property against any claims which would impair the lien of this deed of trust. Lender may require Borrower to assign any rights, claims or defenses which Borrower may have against parties who supply labor or materials to improve or maintain the property.
3. **Insurance.** Borrower will keep the property insured under terms acceptable to Lender at Borrower's expense and for Lender's benefit. All insurance policies shall include a standard mortgage clause in favor of Lender. Lender will be named as loss payee or as the insured on any such insurance policy. Any insurance proceeds may be applied, within Lender's discretion, to either the restoration or repair of the damaged property or to the secured debt. If Lender requires mortgage insurance, Borrower agrees to maintain such insurance for as long as Lender requires.
4. **Property.** Borrower will keep the property in good condition and make all repairs reasonably necessary.
5. **Expenses.** Borrower agrees to pay all Lender's expenses, including reasonable attorneys' fees, if Borrower breaks any covenants in this deed of trust or in any obligation secured by this deed of trust. Borrower will pay these amounts to Lender as provided in Covenant 9 of this deed of trust.
6. **Prior Security Interests.** Unless Borrower first obtains Lender's written consent, Borrower will not make or permit any changes to any prior security interests. Borrower will perform all of Borrower's obligations under any prior mortgage, deed of trust or other security agreement, including Borrower's covenants to make payments when due.
7. **Assignment of Rents and Profits.** Borrower assigns to Lender the rents and profits of the property. Unless Borrower and Lender have agreed otherwise in writing, Borrower may collect and retain the rents as long as Borrower is not in default. If Borrower defaults, Lender, Lender's agent, or a court appointed receiver may take possession and manage the property and collect the rents. Any rents Lender collects shall be applied first to the costs of managing the property, including court costs and attorneys' fees, commissions to rental agents, and any other necessary related expenses. The remaining amount of rents will then apply to payments on the secured debt as provided in Covenant 1.
8. **Leaseholds; Condominiums; Planned Unit Developments.** Borrower agrees to comply with the provisions of any lease if this deed of trust is on a leasehold. If this deed of trust is on a unit in a condominium or a planned unit development, Borrower will perform all of Borrower's duties under the covenants, by-laws, or regulations of the condominium or planned unit development.
9. **Authority of Lender to Perform for Borrower.** If Borrower fails to perform any of Borrower's duties under this deed of trust, Lender may perform the duties or cause them to be performed. Lender may sign Borrower's name or pay any amount if necessary for performance. If any construction on the property is discontinued or not carried on in a reasonable manner, Lender may do whatever is necessary to protect Lender's security interest in the property. This may include completing the construction.
Lender's failure to perform will not preclude Lender from exercising any of its other rights under the law or this deed of trust.
Any amounts paid by Lender to protect Lender's security interest will be secured by this deed of trust. Such amounts will be due on demand and will bear interest from the date of the payment until paid in full at the interest rate in effect on the secured debt.
10. **Default and Acceleration.** If Borrower fails to make any payment when due or breaks any covenants under this deed of trust or any obligation secured by this deed of trust, Lender may accelerate the maturity of the secured debt and demand immediate payment and may invoke the power of sale and any other remedies permitted by applicable law.
11. **Power of Sale.** If Lender invokes the power of sale, Lender shall give written notice to Trustee of the occurrence of an event of default and of Lender's election to cause the property to be sold. Trustee and Lender shall give such notices to Borrower and to other persons as applicable law may require. In addition, Trustee shall record a notice of sale in the county in which the property is located and shall publish notice of sale in accordance with applicable law. Trustee shall then sell the property (in gross or in parcels) at public auction to the highest bidder for cash at the time and place and under the terms designated in the notice of sale. Lender or Lender's designee may purchase the property at any sale. Trustee shall deliver to the purchaser Trustee's deed conveying the property without any covenant or warranty, expressed or implied. Trustee shall apply the proceeds of the sale in the following order: (1) to all reasonable costs and expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (2) to all sums secured by this deed of trust; and (3) the excess, if any, to the clerk of the superior court of the county in which the sale took place.
12. **Inspection.** Lender may enter the property to inspect it if Lender gives Borrower notice beforehand. The notice must state the reasonable cause for Lender's inspection.
13. **Condemnation.** Borrower assigns to Lender the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the property. Such proceeds will be applied as provided in Covenant 1. This assignment is subject to the terms of any prior security agreement.
14. **Waiver.** By exercising any remedy available to Lender, Lender does not give up any rights to later use any other remedy. By not exercising any remedy upon Borrower's default, Lender does not waive any right to later consider the event a default if it happens again.
15. **Joint and Several Liability; Co-signers; Successors and Assigns Bound.** All duties under this deed of trust are joint and several. Any Borrower who co-signs this deed of trust but does not co-sign the underlying debt instrument(s) does so only to grant and convey that Borrower's interest in the property to the Trustee under the terms of this deed of trust. In addition, such a Borrower agrees that the Lender and any other Borrower under this deed of trust may extend, modify or make any other changes in the terms of this deed of trust or the secured debt without that Borrower's consent and without releasing that Borrower from the terms of this deed of trust.
The duties and benefits of this deed of trust shall bind and benefit the successors and assigns of Lender and Borrower.
16. **Notice.** Unless otherwise required by law, any notice to Borrower shall be given by delivering it or by mailing it addressed to Borrower at the property address or any other address that Borrower has given to Lender. Borrower will mail any notice to Lender at Lender's address on page 1 of this deed of trust, or to any other address which Lender has designated.
Any notice shall be deemed to have been given to Borrower or Lender when given in the manner stated above.
17. **Transfer of the Property or a Beneficial Interest in the Borrower.** If all or any part of the property or any interest in it is sold or transferred without Lender's prior written consent, Lender may demand immediate payment of the secured debt. Lender may also demand immediate payment if the Borrower is not a natural person and a beneficial interest in the Borrower is sold or transferred. However, Lender may not demand payment in the above situations if it is prohibited by federal law as of the date of this deed of trust.
18. **Release.** When Borrower has paid the secured debt in full and all underlying agreements have been terminated, Lender shall request Trustee to reconvey the property. Borrower agrees to pay all costs to record such reconveyance.
19. **Substitute Trustee.** Trustee shall resign at the request of Lender and may resign at its own election. Upon the resignation, incapacity, disability or death of Trustee, Lender shall appoint a successor trustee by an instrument recorded in the county in which this deed of trust is recorded. The successor trustee shall thereupon be vested with all powers of the original Trustee.
20. **Use of Property.** The property subject to this deed of trust is not used principally for agricultural or farming purposes.
