TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and
fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security
Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and
convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will
defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited
variations by jurisdiction to constitute a uniform security instrument covering real property.

9. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. **Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. **Sale of Note; Change of Loan Servicer.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. **Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. **Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property at public auction at a date not less than 120 days in the future. The notice shall further inform Borrower of the right to reinstate after acceleration, the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale, and any other matters required to be included in the notice by applicable law. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of this evidence.

ADJUSTABLE RATE RIDER
Interest Rate Cap

Loan #01-944-615965-1

1 YEAR TREASURY SECURITIES INDEX
BOOK 157 PAGE 482

THIS ADJUSTABLE RATE RIDER is made this 22nd day of May, 19 96, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note to WASHINGTON MUTUAL BANK, a Washington Corporation (the "Lender") of the same date and covering the property described in the Security Instrument and located at 181 SHEPHERD FALLS RD, CARSON, WA 98639
(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE SUBJECT TO THE LIMITS STATED IN THE NOTE. IF THE INTEREST RATE INCREASES, THE BORROWER'S MONTHLY PAYMENTS WILL BE HIGHER. IF THE INTEREST RATE DECREASES, THE BORROWER'S MONTHLY PAYMENTS WILL BE LOWER.

THE INTEREST RATE AND MONTHLY PAYMENTS WILL REMAIN THE SAME FOR THE FIRST YEAR OF THE LOAN AND WILL BE ADJUSTED EVERY YEAR THEREAFTER.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 5.750 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the 1st day of June, 1997, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date".

(B) The Index

Beginning with the first Change Date, my interest rate will be based on the 1 Year Treasury Securities Index (the "Index"), which is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board.

The most recent applicable Index figure available as of the date 45 days before each Change Date is called the "Current Index". If the applicable Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding THREE & ONE-FOURTH percentage points (3.250 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limit on Interest Rate Changes

Except as provided in any Addendum or Rider to this Note, the rate of interest I am required to pay shall never be increased or decreased on any single Change Date by more than TWO percentage points (2.000%) from the rate of interest I was paying immediately prior to that Change Date, and my interest rate shall never be greater than TEN & FIVE-EIGHTHS percent (10.625 %).

BOOK 157 PAGE 483

Loan #01-944-615965-1

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will mail or deliver to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is mailed or delivered within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.

ADDENDUM TO ADJUSTABLE RATE RIDER
(Fixed-Rate Conversion Option)

Loan #01-944-615965-1

BOOK 157 PAGE 484

THIS ADDENDUM TO ADJUSTABLE RATE RIDER is made this 22nd day of May, 19 96, and is incorporated into and shall be deemed to amend and supplement the Adjustable Rate Rider to the mortgage, deed of trust, or deed to secure debt (the "Security Instrument"), of the same date which has been given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note of the same date (the "Note"), as modified by an Addendum to Adjustable Rate Note of the same date, to WASHINGTON MUTUAL BANK, a Washington Corporation (the "Lender"), which Security Instrument covers the property described therein and located at the address shown below (the "Property"):

181 SHEPHERD FALLS RD, CARSON, WA 98639
(Property Address)

Defined terms in the Note or the Security Instrument shall have the same meaning when used herein. To the extent that this Addendum conflicts with the terms and conditions set forth in the Security Instrument or in the Adjustable Rate Rider, the terms and conditions set forth in this Addendum shall control.

IN ADDITION TO THE PROVISIONS SET FORTH IN THE ADJUSTABLE RATE RIDER, THE ADDENDUM TO ADJUSTABLE RATE NOTE PERMITS THE BORROWER TO CONVERT THE BORROWER'S ADJUSTABLE RATE LOAN INTO A FIXED RATE, LEVEL PAYMENT, FULLY AMORTIZING LOAN.

ADDITIONAL COVENANTS. The Note provides for an initial interest rate and for changes in the interest rate and the monthly payments as set forth in Section A of the Adjustable Rate Rider. In addition, Sections A through F of the Addendum to Adjustable Rate Note permit the Borrower to convert the Borrower's adjustable rate loan into a fixed rate, level payment fully amortizing loan in the manner described below. Accordingly, and in addition to the covenants and agreements contained in the Security Instrument and the Adjustable Rate Rider, Borrower and Lender further covenant and agree as follows:

A. OPTION TO CONVERT TO FIXED RATE

Notwithstanding anything to the contrary in the Adjustable Rate Note or the Adjustable Rate Rider, I may choose to convert my adjustable rate loan to a fixed rate loan as of the 1st day of July, 1997 or as of the first day of each of the following 47 calendar months. Each date as of which I could choose to convert my loan to a fixed rate loan is called a "Conversion Date". The last possible Conversion Date is June 1st, 2001. I agree conversion will be subject to: (i) no payment under the Note or Security Instrument having been more than thirty (30) days past due and the loan being current and otherwise free from default; (ii) Lender's determination that the Property is in satisfactory condition and that the fair market value of the Property is not less than that set forth on the appraisal which Lender was provided in connection with the initial making of the loan; and (iii) if this is a combination construction/permanent loan, the residence and other improvements to the Property have been completed, the loan has been fully disbursed, and principal and interest payments have commenced (or will commence on the next payment due date after the Effective Conversion Date as hereinafter defined).

If I choose to make this conversion, I must give the Note Holder a written request to convert at least ten (10) days before the next Conversion Date (the "Effective Conversion Date"). I also must sign and give to the Lender a document (the "Modification Document"), in any form that the Lender may require, changing the terms of the Note and Security Instrument as necessary to reflect the conversion.

The Modification Document must be signed by: (i) everyone who originally signed the Note and/or Security Instrument unless the Note Holder has since released them in writing from liability on the loan and they no longer have an ownership interest in the Property; (ii) anyone who has subsequently assumed liability for repayment of the loan unless the Note Holder has since released them in writing from liability and they no longer have an ownership interest in the Property; and (iii) anyone else with an ownership interest in the Property.

I may make inquiry and request verbal quotes of the current conversion rate applicable to my loan at anytime. However, if I have provided a written request to convert and I do not, for any reason, satisfy all requirements to conversion and return the fully executed Modification Document to the Note Holder by the deadline applicable under Paragraph E below, I will forfeit any future right to convert to a fixed rate. In that event, the provision of this Addendum shall be null and void and my loan will remain an adjustable rate loan as provided in my Adjustable Rate Note.

CONSTRUCTION TERM RIDER TO DEED OF TRUST
(Combination Construction and Permanent Loan)

Loan #: 01-944-615965-1
BOOK 157 PAGE 486

THIS CONSTRUCTION TERM RIDER TO DEED OF TRUST is made this 22nd day of May, 19 96, and is incorporated into and shall be deemed to amend and supplement the Deed of Trust of the same date, as modified by any other addendums or riders thereto (the "Security Instrument"), which has been given by the undersigned (the "Borrower") to secure Borrower's Note of the same date to WASHINGTON MUTUAL BANK, a Washington Corporation (the "Lender"), as modified by any addendums or riders thereto, which Security Instrument covers the property described therein and located at the address shown below (the "Property"):

181 SHEPHERD FALLS RD, CARSON, WA 98639

(Property Address)

Defined terms in the Note or the Security Instrument shall have the same meaning when used herein. To the extent that this Addendum conflicts with the terms and conditions set forth in the Security Instrument or riders thereto, the terms and conditions set forth in this Rider shall control.

THE TERMS OF THE BORROWER'S LOAN PROVIDE FOR BOTH CONSTRUCTION AND PERMANENT FINANCING. THIS RIDER SETS FORTH THE PAYMENT TERMS AND CERTAIN OTHER PROVISIONS OF THE BORROWER'S LOAN APPLICABLE TO THE CONSTRUCTION LOAN PERIOD.

ADDITIONAL COVENANTS. The Lender, the Borrower, and the Borrower's construction contractor have entered into a construction loan agreement (the "Construction Loan Agreement") which provides for the construction of a one to four family residence and certain other improvements (the "Improvements") on the Property. Accordingly, and in addition to the covenants and agreements made in the Note, Borrower and Lender further covenant and agree as follows:

A. CONSTRUCTION LOAN AGREEMENT SECURED BY SECURITY INSTRUMENT.

The Security Instrument also secures performance of my obligations under the Construction Loan Agreement. If I am in default under the Construction Loan Agreement, I will also be in default under the Note and Security Instrument, and the Lender shall be entitled to exercise all remedies for default permitted by the Note and/or the Security Instrument. While I am making interest only payments as provided in the first paragraph of Section B below, the Security Instrument shall be considered, for all intents and purposes, to be a "Construction Deed of Trust".

B. PAYMENT DURING CONSTRUCTION LOAN PERIOD.

Notwithstanding anything to the contrary in the Note or any other document related to my Loan, I will make payments of all accrued interest on the amount of funds actually disbursed by the Lender under the Construction Loan Agreement beginning on the 1st day of July, 19 96, and on that day of each of the following 5 calendar months. I will begin making payments of principal and interest as provided in the Note on the 1st day of January, 19 97.

Notwithstanding the above, if construction of the Improvements has been completed in accordance with the provisions of the Construction Loan Agreement and the loan is fully disbursed prior to the due date of any interest only payment to be made under the immediately preceding paragraph, I will instead begin making payments of principal and interest as provided in the Note on the next Monthly Payment Date if requested to do so by the Lender.

C. SALE OR TRANSFER OF PROPERTY DURING CONSTRUCTION LOAN PERIOD.

Any provisions in the Note and Security Instrument which permit me to sell or otherwise transfer the property without paying my loan off in full are inapplicable until construction of the improvements has been completed, the loan has been fully disbursed, and I have commenced making principal and interest payments as provided above.

D. OCCUPANCY AS PRINCIPAL RESIDENCE.

Borrower's obligation pursuant to Section 6 of the Security Instrument to use the Property as Borrower's principal residence shall commence 60 days after construction of the Improvements have been completed.

IN WITNESS WHEREOF, Borrower has executed this Construction Term Rider as of the day and year first written above.
