- COVENANTS
- 1. Payments. Borrower agrees to make all payments on the secured debt when due. Unless Borrower and Lender agree otherwise, any payments Lender receives from Borrower or for Borrower's benefit will be applied first to any amounts Borrower owes on the secured debt exclusive of interest or principal, second to interest, and then to principal, if partial prepayment of the secured debt occurs for any reason, it will not reduce or exclusive any scheduled payment until the secured debt is paid in full.
- 2. Claims Against Tide. Borrower will pay all taxes, assessments, and other charges attributable to the property when due and will defon to the property against any claims which would impair the lien of this deed of trust. Lender may require Borrower to assign any rights, claid defenses which Borrower may have against parties who supply labor or materials to improve or maintain the property.
- 3. Insurance. Borrower will keep the property insured under terms acceptable to Lender at Borrower's expense and for Lender's benefit. All insurance policies shall include a standard mortgage clause in favor of Lender, Lender will be named as loss payee or as the insured on any such insurance policy. Any insurance proceeds may be applied, within Lender's discretion, to either the restoration or repair of the damaged property or to the secured debt. If Lender requires mortgage insurance, Borrower agrees to maintain such insurance for as long as Lender requires.
- 4. Property. Borrower will keep the property in good condition and make all repairs reasonably necessary.
- 5. Expenses, Borrower agrees to pay all Lender's expenses, including reasonable attorneys' fees, if Borrower breaks any covenants in this deed of trust or in any obligation secured by this deed of trust. Borrower will pay these amounts to Lender as provided in Covenant 9 of this deed of
- 6. Prior Security Interests. Unless Borrower first obtains Lender's written consent, Borrower will not make or permit any changes to any prior security interests. Borrower will perform all of Borrower's obligations under any prior mortgage, dead of trust or other security agreement, including Borrower's covenants to make payments when due.
- 7. Assignment of Rents and Profits. Borrower assigns to Lender the rents and profits of the property. Unless Borrower and Lender have agreed otherwise in writing, Borrower may collect and retain the rents as long as Borrower is not in default. If Borrower defaults, Lender, Lender's agent, or a court appointed receiver may take possession and manage the property and collect the rents. Any rents Lender collects shall be applied first to the costs of managing the property, including court costs and attorneys' fees, commissions to rental agents, and any other necessary related expenses. The remaining amount of rents will then apply to payments on the secured debt as provided in Covenant 1.
- 8. Leaseholds: Condominiums: Plenned Unit Developments. Borrower agrees to comply with the provisions of any lease if this dead of trust is on a leasehold. If this deed of trust is on a unit in a condominium or a planned unit development, Borrower will perform all of Borrower's duties under the covenants, by-laws, or regulations of the condominium or planned unit development.
- 9. Authority of Lender to Perform for Borrower, If Borrower falls to perform any of Borrower's duties under this deed of trust, Lender may perform the duties or cause them to be performed. Lender may sign Borrower's name or pay any amount if necessary for performance. If any construction on the property is discontinued or not carried on in a reasonable manner, Lender may do whatever is necessary to protect Lender's security interest in the property. This may include completing the construction.

Lender's failure to perform will not preclude Lender from exercising any of its other rights under the law or this deed of trust.

Any amounts paid by Lender to protect Lender's security interest will be secured by this deed of trust. Such amounts will be due on demand and will bear interest from the date of the payment until paid in full at the interest rate in effect on the secured debt.

- 10. Default and Acceleration. If Borrower fails to make any payment when due or breaks any covenants under this deed of trust or any obligation secured by this deed of trust, Lender may accelerate the maturity of the secured debt and demand immediate payment and may invoke the power of sale and any other remedies permitted by applicable law.
- 11. Power of Sale. If Lender invokes the power of sale, Lender shall give written notice to Trustee of the occurrence of an event of default and of Lender's election to cause the property to be sold. Trustee and Lender shall give such notices to Borrower and to other persons as applicable law may require. In addition, Trustee shall record a notice of sale in the county in which the property is located and shall publish notice of sale in accordance with applicable law. Trustee shall then sell the property (in gross or in parcels) at public auction to the highest bidder for cash at the time and place and under the terms designated in the notice of sale. Lender or Lender's designee may purchase the property at any sale. Trustee shall deliver to the purchaser Trustee's deed conveying the property without any covenant or warranty, expressed or implied. Trustee shall apply the property of the sale in the following order: (1) to all reasonable costs and experises of the sale, including, but not limited to, reasonable. Trustee's and attorneys' fees; (2) to all sums secured by this deed of trust; and (3) the excess, if any, to the cierk of the superior court of the county in which the sale took place.
