BOOK 161 PAGE 909

Any monies Purchaser receives from harvesting of timber shall be applied directly to the principal balance of the Real Estate Contract.

Upon Purchaser's request, Seller will execute a partial fulfillment deed for two acres (of Purchashers choice), after subdivision is completed.

Future deed releases shall be allowed for an additional payment of \$10,000.00 per acre, with a maximum release of 15 acres prior to the contract being paid in full. The lands to be released are not to be so situated as to deny effective access to the remaining land or diminish Seller's security interest.

Seller agrees to sign all documents (if required) by Skamenia County, SW Washingto Health Dept. or any other agency, for the subdivision of the property.
