I acknowledge that I am aware of the additional tax liability that will be imposed when classification is withdrawn from the previously described land.

1. Land that is classified for a minimum of 10 years shall pay an additional tax consisting of an amount equal to the difference between the tax levied on the current use value and the tax that would have been levied on the true and fair value plus interest at the same statutory rate charged on delinquent property taxes for the last seven years.
2. Land whose classification is removed because of a change to a nonconforming use, or whose classification is removed prior to the minimum 10 year period, or for failure to comply with two year notice of withdrawal, shall be liable to pay the additional tax described in Item 1 above, plus a penalty equal to 20% of the additional tax. The additional tax and penalty shall be paid for a maximum of seven years.
3. The additional tax and penalty shall not be imposed if removal of classification resulted solely from:

 - b. A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power.
 - c. A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the landowner changing the use of such property.
 - d. Official action by an agency of the State of Washington or by the county or city where the land is located disallowing the present use of such land.
 - e. Transfer of land to a church when such land would qualify for exemption pursuant to RCW 84.36.020.
