Director's Decision

APPLICANT: Loren Halvorson
FILE NO.: NSA-97-10
PROJECT: Construction of a pole building
LOCATION: 26861 SR-14, in Section 10, T1N, R5E, W.M., Skamania County Tax Lot # 1-5-10-900.
ZONING: Residential (R-10)
DECISION: Based upon the entire record before the Director, including particularly the Staff Report, the application by, described above, subject to the conditions set forth in this Decision, is found to be consistent with Title 22 SCC and is hereby approved.

Although the proposed development is approved, it may not be buildable due to inadequate soils for septic and/or lack of potable water. These issues are under the jurisdiction of Skamania County's Building Department and the Washington State Health District.

Approval of this request does not exempt the applicant or successors in interest from compliance with all other applicable local, state, and federal laws.

CONDITIONS OF APPROVAL:

The following conditions are required to ensure that the subject request is consistent with Skamania County Title 22. This document, outlining the conditions of approval, must be recorded in the deed records of the Skamania County Auditor in order to ensure notice of the conditions of approval to successors in interest SCC §22.06.050(C)(2).

- 1) All developments shall be consistent with the enclosed site plan, unless modified by the following conditions of approval. If modified, the site plan shall be consistent with the conditions of approval.
- 2) Applicant shall retain all existing trees for screening purposes.
- 3) The proposed development shall be finished in nonreflective materials of dark, earth-tone colors. Prior to issuance of a building permit, the applicant shall submit color samples to the Department to verify consistency with the above criterion.

- 4) Exterior lighting shall be directed downward and sited, hooded and shielded such that it is not highly visible from key viewing areas. Shielding and hooding materials shall be composed of non-reflective, opaque materials. All lights shall be hooded and shielded so as to have a luminary with less than a 90 degree cutoff.
- 5) All conditions to achieve visual subordination shall occur prior to final approval.
- 6) The following procedures shall be effected when cultural resources are discovered during construction activities:
 - a) **Haft Construction.** All construction activities within 100 feet of the discovered cultural resource shall cease. The cultural resources shall remain as found; further disturbance is prohibited.
 - b) **Notification.** The project applicant shall notify the Planning Department and the Gorge Commission within 24 hours of the discovery. If the cultural resources are prehistoric or otherwise associated with Native Americans, the project applicant shall also notify the Indian tribal governments within 24 hours.
 - c) **Survey and Evaluations.** The Gorge Commission shall arrange for the cultural resources survey.

Dated and Signed this 28th day of April, 1997, at Stevenson, Washington.

Harpreet Sandhu, Director
Skamania County Planning and Community Development.

NOTES

Any new residential development, related accessory structures such as garages or workshops, and additions or alterations not included in this approved site plan, will require a new application and review.

As per SCC §22.06.050(C)(2), the Director's Decision shall be recorded in the County deed records prior to commencement of the approved project.

As per SCC §22.06.050(C)(5), the decision of the Director approving a proposed development action shall become void in two years if the development is not commenced within that period, or when the development action is discontinued for any reason for one continuous year or more.
