### Director's Decision

**APPLICANT:** Robert Truscheit

**FILE NO.:** NSA-97-18

**PROJECT:** Remodel to existing house

**LOCATION:** 10812 Cook-Underwood Road in Underwood. Section 20 of T3N, R10E, W.M. and is identified as Skamania County Tax Lot #3-10-20-1400.

**ZONING:** General Management Area, Residential (R-5) and Open Space.

**DECISION:** Based upon the entire record before the Director, including particularly the Staff Report, the application by Roberty Truscheit, described above, subject to the conditions set forth in this Decision, is found to be consistent with Title 22 SCC and is hereby approved.

Although the proposed development is approved, it may not be buildable due to inadequate soils for septic and/or lack of potable water. These issues are under the jurisdiction of Skamania County's Building Department and the Washington State Health District.

Approval of this request does not exempt the applicant or successors in interest from compliance with all other applicable local, state, and federal laws.

**CONDITIONS OF APPROVAL:**

The following conditions are required to ensure that the subject request is consistent with Skamania County Title 22. This document, outlining the conditions of approval, must be recorded in the deed records of the Skamania County Auditor in order to ensure notice of the conditions of approval to successors in interest. SCC §22.06.050(C)(2).

- 1) All developments shall be consistent with the enclosed site plan, unless modified by the following conditions of approval. If modified, the site plan shall be consistent with the conditions of approval.
- 2) The proposed remodel includes new doors and windows (including window and door trims and frames) and shall be finished in non-reflective materials of dark, earth-tone colors or match the existing house colors. If colors will not match existing house colors applicant shall be required to submit color samples to the department prior to issuance of a building permit to verify consistency with the above condition.
- 3) Exterior lighting shall be directed downward and sited, hooded and shielded such that it is not highly visible from key viewing areas. Shielding and hooding materials shall be composed of non-reflective, opaque materials. All lights shall be hooded and shielded so as to have a luminary with less than a 90 degree cutoff.
- 4) All existing vegetation shall be retained as the proposed development shall not require the removal of any vegetation.
- 5) The following procedures shall be effected when cultural resources are discovered during construction activities:
  - a) **Halt Construction.** All construction activities within 100 feet of the discovered cultural resource shall cease. The cultural resources shall remain as found; further disturbance is prohibited.
  - b) **Notification.** The project applicant shall notify the Planning Department and the Gorge Commission within 24 hours of the discovery. If the cultural resources are prehistoric or otherwise associated with Native Americans, the project applicant shall also notify the Indian tribal governments within 24 hours.
  - c) **Survey and Evaluations.** The Gorge Commission shall arrange for the cultural resources survey.

Dated and Signed this 30<sup>th</sup> day of June, 1997, at Stevenson, Washington.
