NATURAL RESOURCES CONSERVATION AREA PURPOSES**

(Table Mountain NRCA - Birkenfeld #2)

The Grantor, Washington State Department of Natural Resources, for and in consideration of monies coming in whole or in part from the Habitat Conservation Account of the General Fund of the State of Washington and in fulfillment of terms of the Project Agreements identified below, conveys and grants to the State of Washington individually and as the representative of all the people of the State, the right to use the real property described below forever for the natural resources conservation area purposes described in RCW 43.98A and managed in accordance with RCW 79.71 and the Project Agreements entered into between the Grantor and the State of Washington through the Interagency Committee for Outdoor Recreation entitled Table Mountain NRCA, Project Number 96-035A, signed by the Grantor on the 3rd day of August, 1995 and by the Interagency Committee on the 28th day of July, 1995, and Project Number 96-1005A signed by the Grantor on the 28th day of July, 1997 and by the Interagency Committee on the 21st day of July, 1997; the application and supporting materials which are on file with the Grantor and the State in connection with the Project Agreements.

The Grantor will not make or permit to be made any use of the real property described in this deed, or any part of it, which is inconsistent with the right to use for natural resource conservation area purposes herein granted unless the State, through the Interagency Committee for Outdoor Recreation or its successors, consents to the inconsistent use, which consent shall be granted only upon conditions which will ensure that other natural resources conservation area land of at least equal fair market value at the time of change of use and of as nearly as feasible equivalent usefulness and location for the natural resource conservation area purposes for which State assistance was originally granted, will be substituted in the manner provided in RCW 43.99.100 for marine recreation land, whether or not the real property covered by this deed is marine recreation land. RCW 43.99.100 reads as follows:

"Marine recreation land with respect to which money has been expended under RCW 43.99.080 shall not, without the approval of the committee, be converted to uses other than those for which such expenditure was originally approved. The committee shall only approve any such conversion upon conditions which will assure the substitution of other marine recreation land of at least equal fair market value at the time of conversion and of as nearly as feasible equivalent usefulness and location."

The real property covered by this deed is described as follows:

The North half of Section 32, Township 3 North, Range 7 East of the Willamette Meridian, situated in Skamania County, Washington.
