Dear Mr. & Mrs. St. Laurent:

We reviewed your request dated April 2, 1997, for a Letter of Map Amendment. All required information for this request was received on September 15, 1997. Using the information submitted and the effective National Flood Insurance Program (NFIP) map, we determined portions of the property described below are in a Special Flood Hazard Area (SFHA), the area that would be inundated by the flood having a 1-percent chance of being equaled or exceeded in any given year (base flood); however, the structure on the property is not in the SFHA.

Property Description: Lot 19, Whispering Hills River Estates, as shown on the Plat recorded as Instrument No. 67387, in Book A, Page 130, in the Office of the Recorder, Skamania County, Washington
Street Address: 16271 Washougal River Road
Flooding Source: Washougal River

This letter amends the above-referenced NFIP map to remove the structure from the SFHA. The structure is now in Zone C, an area of minimal flooding outside the SFHA. Flood insurance coverage for the structure may be available under a low-cost policy (see enclosed document). Because portions of the property remain in the SFHA, any future construction or substantial improvement on the property remains subject to Federal, State, and local regulations for floodplain management.

The enclosed document provides additional information about Letters of Map Amendment. If you have any questions about this letter, please contact Ms. Agnes De Coca of our staff in Washington, DC, either by telephone at (202) 646-2746 or by facsimile at (202) 646-4596.

Sincerely,

Frederick H. Sharrocks, Jr., Chief
