WHEREAS, all successive future owners of said lots shall have the same rights to invoke and enforce the provisions hereof as original signers; and

WHEREAS, the purpose of these restrictions is to ensure the use of the property for attractive residential purposes, to prevent nuisances, to maintain the desired tone of the community, and to secure to each property owner the full benefit and enjoyment of their property with no greater restriction on the free and undisturbed use of the property than is necessary to ensure the same advantage to other property owners.
