- A. Property and facilities purchased, acquired, leased, held, licensed, owned or operated by WTTA are for the use and enjoyment of WTTA members.
- B. Sites are those areas designated by the Board of Directors for use of WTTA members in accordance with these Bylaws as adopted by the Membership, and rules and regulations as approved by the Board of Directors. A specific site chosen by a prospective member shall be assigned with each membership and shall entitle the member to the exclusive use of the site, so long as the member is in good standing and has strictly complied with the terms and conditions of the Bylaws and Rules and Regulations as approved by the Board of Directors. Members acquire no fee ownership or leasehold interest in specific sites.
- C. Common property is those areas of land and facilities designated by the Board of Directors for the common use of WTTA members.
- D. Sites are to be utilized for recreational purposes only. Not permanent residency. Amended Annual Meeting 1998.

ARTICLE II - MEMBERSHIP

SECTION 1 - MEMBERSHIP

- A. Membership. A membership shall constitute a certificate granting the holder of such membership the right to the exclusive use of a designated site. Members acquire no fee ownership, leasehold, easement, or any possessory interest in any of the lands, sites, or other things whatsoever owned or controlled by WTTA. All groups or organizations, of any kind are expressly precluded from obtaining membership in any form or fashion.
- B. Membership interest held as security. Any person, firm, corporation or entity who holds an interest in a membership merely as security for the performance of any obligation shall not be a member as to that membership.
- C. Membership equity. A certificate of membership in WTTA conveys no fee title to the site but provides the owner of the membership with an undivided interest in the Association assets and liabilities.
- D. Membership entitlements and privileges. Membership in WTTA accords all the entitlements and privileges herein set, and binds each Member to uphold and comply with these Bylaws as duly adopted, sanctioned and ratified by majority vote of members.

SECTION 2 - REQUIREMENTS FOR MEMBERSHIP

- A. Eligibility. All individual applicants for memberships must be at least eighteen (18) years of age. Memberships may be jointly owned. In the event the membership is jointly owned, then they shall have equal privileges, equal responsibility for dues, charges and assessments, and they will each have a vote. Each membership assumes voting rights for the association. There will be two votes allowed per membership as long as the membership is in good standing.

B. Member in good standing.

1. Shall be considered as whose billed account is not over thirty (30) days from statement date on dues, assessments and/or other charges.
2. Whose membership rights are not currently under suspension or termination as provided by the due process stated within these Bylaws.

SECTION 3 - SITE USAGE, RESTRICTIONS, MAINTENANCE AND APPEARANCE.

A. Site use. Sites may not be rented or otherwise commercialized.

B. Number of units permitted. Site usage is restricted to one recreational unit per site. Additional recreational units may be used on a temporary basis, not to exceed two (2) weeks, if the site has sufficient room for same.

C. Restrictions on type, use of units and improvements.

1. A subcommittee of two Board Members will inspect and approve the appearance of all recreational units brought in by members to insure that they meet the standards as specified within these Bylaws.
2. All recreational units shall be licensable as a recreational vehicle.
3. All recreational vehicles shall be totally self contained. Exceptions to the self contained restriction are as follows: Sites which have power and water utilities in place need not have recreational vehicles with self contained water and power systems. With respect to black water (human waste in solid or liquid form) and gray water (water from sinks and baths) the following restrictions apply. Black water needs to be run directly into the recreational vehicles holding tank and disposed of off of WTAA property or by a "honey bucket" to the Septic System Dump Station located at the main gate. An exception to this requirement is allowed if the site contains an approved black water holding tank. Such tanks are pumped periodically at owner's expense by an outside commercial pumping service. Gray water should be run directly into the recreational vehicles holding tank and disposed of off WTAA property or dispersed via an on site gravel bed or underground dispersion tank.
4. Sites may be improved with trailer covers and decks. However, such construction shall be in compliance with Skamania County Building Codes. Building permits are required. One trailer cover per site is allowed.
5. Storage sheds are allowed but must not exceed a floor area of one hundred (100) square feet and a height of eight (8) feet. Two storage sheds per site are allowed.
6. No recreational unit or storage shed shall be located within five feet of the site boundary.
7. Asphalt or concrete products are prohibited in the construction of driveways and paths.
8. Fences may be constructed of wood or stone but cannot exceed five feet in height.
9. Hot tubs, flush toilets, dishwashers, garbage disposals and washing machines are prohibited.
10. All allowable utilities to sites must be underground unless the prevailing authority of the utility company determines it necessary and beneficial otherwise.
11. No live trees in excess of four inches in diameter may be removed, except for the preparation of sites, without the prior approval of the Property Manager.
12. No trees may be cut and hauled off of WTAA or individual site property for use as home firewood.
13. All sites shall leave a water hose attached to an outside faucet in the event of fire.
14. Professional (Commercial) Real Estate signs are not permitted within the park, nor on the roadside adjacent to the grounds. A member may, however, advertise his/her site for sale within the park, as an individual, through the posting of an on site for sale sign or by a notice in the lodge. If advertised publicly, the member must show the site by appointment only and personally escort the interested party through the gate and the grounds, unless prior arrangements have been made and approved by the caretaker, in advance.
15. The discharge of firearms or other weapons is strictly prohibited in the park.
16. Members are responsible for the disposal of their own garbage by taking it off site or home.
17. All pets must be kept on a held leash or otherwise confined to members site.
18. All entrances and exits from the park shall be made through the main gates only. Gates must be kept locked at all times.
19. No minor under the age of eighteen (18) years of age may be left in the park without adult supervision.

D. Maintenance and appearance of sites and units. All sites are expected to be periodically kept clean of tall grass, weeds, and unsightly material so that the site will not be an eyesore, and/or a fire hazard. This is our park and we should be proud of it. At a minimum, each site is to be cleaned by June 1st of each year. Sites not cleaned by June 1st of each year may be cleaned and billed to the member at a rate per hour for labor as set by the Board. The outside surface of all recreational vehicles shall also be kept in a clean appearance. If not kept clean, the member may be notified via written letter to clean the recreational vehicle. If the member does not clean the recreational vehicle, or attempt to work out a reasonable arrangement with the Property Manager, or designee, when to clean the vehicle, the member will be asked to remove the vehicle from WTAA property.

E. Water Availability. Water shall remain on year round except in instances of freezing weather. The decision to shut off the water lines will be made at the discretion of the Property Manager. This procedure becomes necessary to protect units and waterlines from broken lines and resulting damage due to freezing temperatures. It can be expected that the possibility of water shutoff will occur from November 1st through April 1st. Advice as to the proper shut off procedure at each unit, and the draining of lines, can be obtained from the Property Manager or the Caretaker. The water to the lodge is not affected by this Bylaw.

F. Violation of Water Shutoff Rule. When a waterline shutoff rule is in effect and the above Bylaw is violated, the person(s) responsible will be subject to a \$25.00 fine, and if any damages result from turning the water on, the person(s) responsible will pay for all damages incurred by such action.

G. Vehicles, Speed Limits. Reasonable use of access roads shall be granted all motor vehicles, which includes: automobiles, golf carts, ATVs, snowmobiles, motorcycles, etc. Please respect your fellow member's privacy. Maintain an adequate muffler system and observe a maximum speed limit of TEN MILES PER HOUR at all times. This is not only necessary for safety reasons but to keep the

gravel dust minimized during dry weather. Vehicles are prohibited from parking on access roads. Inoperable vehicles are not allowed to be stored on WTTA or individual site property.

SECTION 4 - RESPONSIBILITIES AND LIABILITIES

- A. **Definition of Guest and Host Responsibilities.** Any person other than the member or his/her dependent children is a guest. The member is responsible to see that her/his guests comply with rules and regulations of WTTA. Guests shall have no membership rights.
- B. **Damage or Destruction.** Damage or destruction of any kind done by a member, their family or guests, whether to WTTA or the personal property of another member is the sole financial responsibility of the member. - C. **Discharge of Black Water.** Any member, members family or their guests caught discharging black water in any unapproved matter will be immediately suspended for a period of thirty (30) days and will be required to pay a fine of \$25.00 plus a \$25.00 reinstatement fee. Any further abuse will result in immediate termination of membership.
THIS IS A SKAMANIA COUNTY HEALTH DEPARTMENT REGULATION. Any violation could close the park, therefore the normal due process procedure of the Association will not apply.
- D. **Legal fees and other costs.** In the event that legal action between two or more members results in WTTA being named as a necessary party, then the losing member in the suit shall reimburse WTTA for its attorney's fees and costs.

SECTION 5 - TRANSFER OR SALE OF MEMBERSHIP

- A. **Transfer or Sale of Membership.** A membership may be transferred, assigned or conveyed by inheritance, gift or sale, provided that WTTA shall not be required to recognize any such sale or transfer to another unless and until all dues, fees, and assessments then due and owing are paid in full, and the transferred membership then and otherwise strictly complies with the terms and conditions of WTTA's Bylaws, and its Rules and Regulations. It shall be the responsibility of the involved member to present all required and applicable paperwork to the Secretary or the Treasurer for proper handling or new certificate will not be issued. Transfer or sale of a membership can only be to an individual or joint ownership.
