Director's Decision

APPLICANT: Dan Haight

FILE NO.: NSA-98-46

PROJECT: Accessory building

LOCATION: 282 Hudson Road, in Washougal; Section 7 of TIN, R5E, W.M., and identified as Skamania County Tax Lot #1-5-7-700.

ZONING: General Management Area, Small-Scale Agriculture (AG-2)

DECISION: Based upon the entire record before the Director, including particularly the Staff Report, the application by Nordic Construction for Dan Haight, described above, subject to the conditions set forth in this Decision, is found to be consistent with Title 22 SCC and is hereby approved.

Although the proposed development is approved, it may not be buildable due to inadequate soils for septic and/or lack of potable water. These issues are under the jurisdiction of Skamania County's Building Department and the Washington State Health District.

Approval of this request does not exempt the applicant or successors in interest from compliance with all other applicable local, state, and federal laws.

CONDITIONS OF APPROVAL:

The following conditions are required to ensure that the subject request is consistent with Skamania County Title 22. This document, outlining the conditions of approval, must be recorded in the deed records of the Skamania County Auditor in order to ensure notice of the conditions of approval to successors in interest. SCC §22.06.050(C)(2).

- 1) All developments shall be consistent with the enclosed site plans, unless modified by the following conditions of approval. If modified, the site plan shall be consistent with the conditions of approval.
- 2) All existing trees that provide screening or help minimize the prominence of the development from key viewing areas (backdrop screening trees north and west of the building site) shall be retained and maintained in a healthy condition. All dead or dying trees shall be replaced in place and in kind.
- 3) The exterior of the proposed structure shall be painted a **DARK** earth-tone color and be finished in non-reflective materials. Prior to issuance of a building permit, color samples shall be submitted to the Planning Department for approval.
- 4) Exterior lighting shall be directed downward and sited, hooded and shielded such that it is not highly visible from key viewing areas. Shielding and hooding materials shall be composed of non-reflective, opaque materials. Opaque means that it does not allow light to pass through the shield or hood. All lights shall be hooded and shielded so as to have a luminary with less than a 90 degree cutoff.
- 5) All conditions to achieve visual subordination shall occur prior to issuance of an occupancy permit for the home with the exception of Condition # 3.
- 6) The following procedures shall be effected when cultural resources are discovered during construction activities:
 - a) **Halt Construction.** All construction activities within 100 feet of the discovered cultural resource shall cease. The cultural resources shall remain as found; further disturbance is prohibited.
 - b) **Notification.** The project applicant shall notify the Planning Department and the Gorge Commission within 24 hours of the discovery. If the cultural resources are prehistoric or otherwise associated with Native Americans, the project applicant shall also notify the Indian tribal governments within 24 hours.
 - c) **Survey and Evaluations.** The Gorge Commission shall arrange for the cultural resources survey.

Dated and Signed this 25th day of August, 1998, at Stevenson, Washington.

Harpreet Sandhu, Director
Skamania County Planning and Community Development.

NOTES

Any new residential development, related accessory structures such as garages or workshops, and additions or alterations not included in this approved site plan, will require a new application and review.

As per SCC §22.06.050(C)(2), the Director's Decision shall be recorded in the County deed records
