PAYMENT AND PERFORMANCE. Except as otherwise provided in this Assignment, Grantor shall pay to Lender all amounts secured by this Assignment as they become due, and shall strictly perform all of Grantor's obligations under this Assignment. Unless and until Grantee exercises its right to collect the Rents as provided below and so long as there is no default under this Assignment, Grantor may remain in possession and control of and operate and manage the Property and collect the Rents, provided that the granting of the right to collect the Rents shall not constitute Lender's consent to the use of cash collateral in a bankruptcy proceeding.

GRANTOR'S REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE RENTS. With respect to the Rents, Grantor represents and warrants to Lender that:

Ownership. Grantor is entitled to receive the Rents free and clear of all rights, loans, liens, encumbrances, and claims except as disclosed to and accepted by Grantee in writing.

No Prior Assignment. Grantor has not previously assigned or conveyed the Rents to any other person or entity.

No Further Transfer. Grantor will not sell, assign, encumber, or otherwise dispose of any of Grantor's rights in the Rents except as provided in this Agreement.

GRANTEE'S RIGHT TO COLLECT RENTS. Grantee shall have the right at any time, and even though no default shall have occurred under this Assignment, to collect and receive the Rents. For this purpose, Grantee is hereby given and granted the following rights, powers and authority:

Notice to Tenants. Grantee may send notices to any and all tenants of the Property advising them of this Assignment and directing all Rents to be paid directly to Grantee or Grantee's agent.

Enter the Property. Grantee may enter upon and take possession of the Property; demand, collect and receive from the

tenants or from any other persons liable therefor, all of the Rents; institute and carry on all legal proceedings necessary for the protection of the Property, including such proceedings as may be necessary to recover possession of the Property; collect the Rents and remove any tenant or tenants or other persons from the Property.

**Maintain the Property.** Grantee may enter upon the Property to maintain the Property and keep the same in repair; to pay the costs thereof and of all services of all employees, including their equipment, and of all continuing costs and expenses of maintaining the Property in proper repair and condition, and also to pay all taxes, assessments and water utilities, and the premiums on fire and other insurance effected by Grantee on the Property.

**Compliance with Laws.** Grantee may do any and all things to execute and comply with the laws of the State of Washington and also all other laws, rules, orders, ordinances and requirements of all other governmental agencies affecting the Property.

**Lease the Property.** Grantee may rent or lease the whole or any part of the Property for such term or terms and on such conditions as Grantee may deem appropriate.

**Employ Agents.** Grantee may engage such agent or agents as Grantee may deem appropriate, either in Grantee's name or in Grantor's name, to rent and manage the Property, including the collection and application of Rents.

**Other Acts.** Grantee may do all such other things and acts with respect to the Property as Grantee may deem appropriate and may act exclusively and solely in the place and stead of Grantor and to have all of the powers of Grantor for the purposes stated above.

**No Requirement to Act.** Grantee shall not be required to do any of the foregoing acts or things, and the fact that Grantee shall have performed one or more of the foregoing acts or things shall not require Grantee to do any other specific act or thing.

**APPLICATION OF RENTS.** All costs and expenses incurred by Grantee in connection with the Property shall be for Grantor's account and Grantee may pay such costs and expenses from the Rents. Grantee, in its sole discretion, shall determine the application of any and all Rents received by it; however, any such Rents received by Grantee which are not applied to such costs and expenses shall be applied to the indebtedness. All expenditures made by Grantee under this Assignment and not reimbursed from the Rents shall become a part of the indebtedness secured by this Assignment, and shall be payable on demand, with interest at the Note rate from date of expenditure until paid.

**FULL PERFORMANCE.** If Grantor pays all of the indebtedness when due and otherwise performs all the obligations imposed upon Grantor

under this Assignment, the Note, and the Related Documents, Grantee shall execute and deliver to Grantor a suitable satisfaction of this Assignment and suitable statements of termination of any financing statement on file evidencing Grantee's security interest in the Rents and Property. Any termination fee required by law shall be paid by Grantor, if permitted by applicable law.

**EXPENDITURES BY LENDER.** If Grantor fails to comply with any provision of this Assignment, or if any action or proceeding is commenced that would materially affect Grantee's interests in the Property, Grantee on Grantor's behalf may, but shall not be required to, take any action that Grantee deems appropriate. Any amount that Grantee expends in so doing will bear interest at the rate charged under the Note from the date incurred or paid by Grantee to the date of repayment by Grantor. All such expenses, at Grantee's option, will (a) be payable on demand, (b) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Note, or (c) be treated as a balloon payment which will be due and payable at the Note's maturity. This Assignment also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Grantee may be entitled on account of the default. Any such action by Grantee shall not be construed as curing the default so as to bar Grantee from any remedy that it otherwise would have had.

**DEFAULT.** Each of the following, at the option of Grantee, shall constitute an event of default ("Event of Default") under this Assignment:

**Default on Indebtedness.** Failure of Grantor to make any payment when due on this indebtedness.

**Compliance Default.** Failure to comply with any other term, obligation, covenant or condition contained in this Assignment, the Note or in any of the Related Documents. If such a failure is curable and if Grantor has not been given a notice of a breach of the same provision of this Assignment within the preceding twelve (12) months, it may be cured (and no Event of Default will have occurred). If Grantor, after Grantee sends written notice demanding cure of such failure: (a) cures the failure within fifteen (15) days, or (b) if the cure requires more than fifteen (15) days immediately initiates steps sufficient to cure the failure and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

**Breaches.** Any warranty, representation or statement made or furnished to Grantee by or on behalf of Grantor under this Assignment, the Note or the Related Documents is, or at the time made or furnished was, false in any material respect.

**Other Defaults.** Failure of Grantor to comply with any term,

obligation, covenant, or condition contained in any other agreement between Grantor and Grantee.

**Insolvency.** The insolvency of Grantor, appointment of a receiver for any part of Grantor's property, an assignment for the benefit of creditors, the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor, or the dissolution or termination of Grantor's existence as a going business (if Grantor is a business). Except to the extent prohibited by federal law or Washington law, the death of any Grantor (if Grantor is an individual) also shall constitute an Event of Default under this Assignment.

**Foreclosures, etc.,** Commencement of foreclosure, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor against any of the Property. However, this subsection shall not apply in the event of a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the foreclosure, provided that Grantor gives Grantee written notice of such claim and furnishes reserves or a surety bond for the claim satisfactory to Lender.

**Events Affecting Guarantor.** Any of the preceding events occurs with respect to any Guarantor of any of the indebtedness or such Guarantor dies or becomes incompetent or any Guarantor revokes any guaranty of the Indebtedness. Grantee, at its option, may, but shall not be required to, permit the Guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Grantee, and, in doing so, cure the Event of Default.

**Insecurity.** Lender in good faith deems itself insecure.

**RIGHTS AND REMEDIES ON DEFAULT.** Upon the occurrence of any Event of Default and at any time thereafter, Grantee may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

**Accelerate Indebtedness.** Grantee shall have the right at its option without notice to Grantor to declare the entire indebtedness immediately due and payable, including any prepayment penalty which Grantor would be required to pay.

**Collect Rents.** Grantee shall have the right, without notice to Grantor, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Grantee's costs, against the indebtedness.

In furtherance of this right, Grantee may require any tenant or other user of the Property to make payments of rent or use fees directly to Grantee. If the Rents are collected by Grantee, then Grantor irrevocably designates Grantee as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other uses to Grantee in response to

Grantee's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Grantee may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

**Appoint Receiver.** Grantee shall have the right to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the indebtedness. The receiver may serve without bond if permitted by law. Grantee's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Grantee shall not disqualify a person from serving as a receiver.

**Other Remedies.** Grantee shall have all other rights and remedies provided in this Assignment or the Note or by law.

**Waiver, Election of Remedies.** A waiver by any party of a breach of a provision of this Assignment shall not constitute a waiver of or prejudice the party's rights otherwise to demand strict compliance with that provision or any other provision. Election by Grantee to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or take action to perform an obligation of Grantor under this Assignment after failure of Grantor to perform shall not affect Grantee's right to declare a default and exercise its remedies under this Assignment.

**Attorney's Fees; Expenses.** If Grantee institutes any suit or action to enforce any of the terms of this Assignment, Grantee shall be entitled to recover attorney's fees at trial and on any appeal. Whether or not any court action is involved, all reasonable expenses incurred by Grantee that in Grantee's opinion are necessary at any time for the protection of its interest or the enforcement of this rights shall become a part of the indebtedness payable on demand and shall bear interest from the date of expenditure until repaid at the Note rate. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law. Grantee's attorneys' fees and legal expenses whether or not there is a lawsuit, including attorneys' fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees, and title insurance, to the extent permitted by applicable law. Grantor also will pay any court costs, in addition to all other sums provided by law.

**MISCELLANEOUS PROVISIONS.** The following miscellaneous provisions are a part of this Assignment.

**Amendments.** This Assignment, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Assignment. No alteration of or amendment to this Assignment shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

**Applicable Law.** This Assignment has been delivered to Grantee and accepted by Grantee in the State of Washington. This Assignment shall be governed by and construed in accordance with the laws of the State of Washington.

**Multiple Parties.** All obligations of Grantor under this Assignment shall be joint and several, and all references to Grantor shall mean each and every Grantor. This means that each of the persons signing below is responsible for all obligations in this Assignment. Where any one or more of the Grantors are corporations or partnerships, it is not necessary for Grantee to inquire into the powers of any of the Grantors or of the officers, directors, partners, or agents acting or purporting to act on their behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed under this assignment.

**No Modification.** Grantor shall not enter into any agreement with the holder of any mortgage, deed of trust, or other security agreement which has priority over this Assignment by which that agreement is modified, amended, extended, or renewed without the prior written consent of Grantee. Grantor shall neither request nor accept any future advances under any such security agreement without the prior written consent of Grantee.

**Severability.** If a court of competent jurisdiction finds any provision of this Assignment to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provision of this Assignment in all other respects shall remain valid and enforceable.

**Successors and Assigns.** Subject to the limitations stated in this Assignment on transfer of Grantor's interest, this Assignment shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Property becomes vested in a person other than Grantor, Grantee, without notice to Grantor, may deal with Grantor's successors with reference to this Assignment and the indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Assignment or liability under the indebtedness.

Time is of the Essence. Time is of the essence in the performance of this Assignment.

Waiver of Homestead Exemption. Grantor hereby releases and waives all rights and benefits of the homestead exemption laws of the State of Washington as to all indebtedness secured by this Assignment.

Waivers and Consents. Grantee shall not be deemed to have waived any rights under this Assignment (or under the related Documents) unless such waiver is in writing and signed by Grantee. No delay or omission on the part of the Grantee in exercising any right shall operate as a waiver of such right or any other right. A waiver by any party of a provision of this Assignment shall not constitute a waiver of such right or any other right. A waiver by any party of a provision of this Assignment shall not constitute a waiver of or prejudice the party's right otherwise to demand strict compliance with that provision or any other provision. No prior waiver by Grantee, nor any course of dealing between Grantee or Grantor, shall constitute a waiver of any of Grantee's rights or any of Grantor's obligations as to any future transactions. Whenever consent by Grantee is required in this Assignment, the granting of such consent by Grantee in any instance shall not constitute continuing consent to subsequent instances where such consent is required.

EACH GRANTOR ACKNOWLEDGES HAVING READ ALL THE PROVISIONS OF THIS ASSIGNMENT OF RENTS, AND EACH GRANTOR AGREES TO IT ITS TERMS.
