SURVEYS

Book

The original deed description (Ref. 3) was in conflict with evidence recovered on the ground. When taken literally the deed call fell short of the easterly right of way of Belle Center Road and created an encroachment on Saints Road, a private access to lots within the McIntyre Short Plat (Ref. 2).

Existing graves and old fence remains clearly depict the intent of the deed and the apparent error in the beginning call was corrected by the new descriptions as listed.
