No. 3 This Diagram Explains Method of Description of Claim	No. 4

Notice of Mining Location
VEIN OR LODE CLAIM
STATE OF Washington
County of Skamania
Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared an intention to become such, have discovered a vein or lode of locatable mineral-bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Wash., have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery. The name of the claim is:

Firlock Lode

Claim, further described as follows:
Commencing at post marked # 1 at the discovery point and then 500 feet in a N 80° E direction to an end post marked # 2, then 300 feet in a N 10° W direction to a corner post marked # 3, then 1500 feet in a S 80° W direction to a corner post marked # 4, then 600 feet in a S 10° E direction to a corner post marked # 5, then 1500 feet in a N 80° E direction to a corner post marked # 6, then 300 feet in a N 10° W direction to said end post marked # 2.

The locators claim _____ 500 _____ feet in a _____ N 80° E _____ direction from the point of discovery to the _____ East _____ end line and _____ 1000 _____ feet in the opposite direction from the point of discovery to the _____ West _____ end line and _____ 300 _____ feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being _____ 5,280 ± _____ feet from the following natural object or permanent monument in the vicinity: Approximately 1 mile upstream from Forest Service road N90, 1600 feet upstream from Boulder Creek falls and 400 feet upstream from a smaller falls about 12 feet high. Boulder creek is a tributary of the Lewis River in the Gifford Pinchot National Forest.

The general course or strike of the vein or lode as nearly as may be determined is located approx. 50 feet west of Boulder Creek with reference to the natural object or permanent monument described above.

This claim is situated in the _____ NE _____ (designate quarter section) of Section _____ 26 _____ Township _____ 9 North _____ Range _____ 9 East _____ of the _____ West _____ Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed unsurveyed maps show that this might be in the SE 1/4 of section 23 and/or the NE 1/4 section of section 26. Most probably it's in section 26.

The end lines of the claim are parallel to each other. The adjoining claims are Firlock II. Part of the South side of Firlock Lode claim is contiguous with the North End Line of Firlock II claim.

This notice is placed conspicuously at the discovery post, and posts are placed at each corner of the claim. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced.

Located Sept 5, 1900
