Notice of location must be recorded within thirty (30) days from the date of discovery at the office of the auditor of the county in which such discovery was made. Twenty (20) Acres may be included in one placer claim and if located on surveyed land it must be according to legal subdivisions.

Care must be taken to fully describe the claim with reference to natural objects and permanent monuments or survey description, so that the boundaries can be readily traced. The blank spaces in this form must be carefully and properly filled out.

The discoverer must perform labor upon such location in developing the same to an amount which shall be equivalent in the aggregate to at least \$10.00 worth of such labor for each twenty (20) acres, or fractional part thereof, contained in such location or claim, within sixty (60) days from the date of discovery, and upon performance of such labor, file with the auditor of county an affidavit showing such performance and generally the nature and kind of work so done. Provided however, that certain federal regulations may apply, in addition or in place of the above.

STATE OF WASHINGTON,

SS

(INDIVIDUAL ACKNOWLEDGMENT)

County of SKAMANIA

I, JOHN EDENS / NORM HILL, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such) and that I am acquainted with the mining ground described in the notice of location, and herein called the BAD DAY Placer Mining Claim; that the ground and claim herein described, or any part thereof, has not, to the best of my knowledge and belief, been located according to the laws of the United States and this State, or if so located, that the same has been abandoned or forfeited by reason of failure of such former locators to comply in respect thereto with the requirements of said laws; and that I have performed the equivalent of at least \$10.00 in labor on such claim and have complied with all applicable laws of this State pertaining to this claim.

Signed and sworn to before me this 9th day of April, 2001

When drawing your claim(s) use an ordinary ruler. 1/8th of an inch would be 100 feet so a full size lode (600' x 1500') would be 3/4" by 1 7/8". A full size placer (1320' x 660') would be 1 5/8" by 13/16".
