The aggregate amount of this warrant as docketed is a lien upon the title to and interest in all real and personal property of the employer against whom this warrant is issued, the same as a judgement in a civil case duly docketed in the office of such Clerk, and is sufficient to support the issuance of writs of garnishment in favor of the state in a manner provided by law in case of judgement, wholly or partially unsatisfied. In addition, Chapter 40.14 RCW requires that you pay a twenty dollar surcharge before a satisfaction of warrant will be issued.
