Director's Decision

APPLICANT: Murray and Kiyomi Zenk

FILE NO.: NSA-98-73

PROJECT: Septic Tank Drainfield

LOCATION: Just north of Berge Road, in Home Valley; Section 27 of T3N, R8E, W.M., and identified as Skamania County Tax Lot # 3-8-27-602.

ZONING: General Management Area, Residential (R-5) (A portion of the property is within the Urban Area of Home Valley, however this proposal will be within the NSA portion of the property due to the small lot sizes).

DECISION: Based upon the entire record before the Director, including particularly the Staff Report, the application by Murray and Kiyomi Zenk, described above, subject to the conditions set forth in this Decision, is found to be consistent with Title 22 SCC and is hereby approved.

Although the proposed development is approved, it may not be buildable due to inadequate soils for septic and/or lack of potable water. These issues are under the jurisdiction of Skamania County's Building Department and the Washington State Health District.

Approval of this request does not exempt the applicant or successors in interest from compliance with all other applicable local, state, and federal laws.

CONDITIONS OF APPROVAL:

The following conditions are required to ensure that the subject request is consistent with Skamania County Title 22. This document, outlining the conditions of approval, must be recorded in the deed records of the Skamania County Auditor in order to ensure notice of the conditions of approval to successors in interest. SCC §22.06.050(C)(2).

- 1) All developments shall be consistent with the enclosed site plan, unless modified by the following conditions of approval. If modified, the site plan shall be consistent with the conditions of approval.
- 2) All graded areas shall be re-seeded with native vegetation upon completion of the project.
- 3) All existing tree cover shall be retained except that which is necessary for site development.
- 4) The following procedures shall be effected when cultural resources are discovered during construction activities:
 - a) Halt Construction. All construction activities within 100 feet of the discovered cultural resource shall cease. The cultural resources shall remain as found; further disturbance is prohibited.
 - b) Notification. The project applicant shall notify the Planning Department and the Gorge Commission within 24 hours of the discovery. If the cultural resources are prehistoric or otherwise associated with Native Americans, the project applicant shall also notify the Indian tribal governments within 24 hours.
 - c) Survey and Evaluations. The Gorge Commission shall arrange for the cultural resources survey.

Dated and Signed this 13th day of January, 1999, at Stevenson, Washington.

Harpreet Sandhu, Director
Skamania County Planning and Community Development.

NOTES

Any new residential development, related accessory structures such as garages or workshops, and additions or alterations not included in this approved site plan, will require a new application and review.
