Administrative Decision

APPLICANT: Ron & Debra Stuart

FILE NO.: NSA-01-42

PROJECT: Construct Accessory buildings and New Utilities: two wood/metal accessory buildings: a (40x36x19h) pole barn & a (28x38x16h) garage/storage building, extend existing driveway to accessory buildings, install new water and electricity and drill a well

LOCATION: Lot #1 of the Ferguson Short Plat, Meko Way off Belle Center Road; Section 8 of T1N, Range 5E, W.M. and identified as Skamania County Tax Lot #1-5-8-803

LEGAL: See attached Page 5

ZONING: General Management Area zoned Residential (R-10)

DECISION: Based upon the Staff Report, the application by Ron & Debra Stuart, described above, subject to the conditions set forth in this Decision, is found to be consistent with Title 22 SCC and is hereby approved.

Although the proposed development is approved, it may not be buildable due to inadequate soils for septic and/or lack of potable water. These issues are under the jurisdiction of Skamania County's Building Department and the Washington State Health District.

Approval of this request does not exempt the applicant or successors in interest from compliance with all other applicable local, state, and federal laws.

CONDITIONS OF APPROVAL:

The following conditions are required to ensure that the subject request is consistent with Skamania County Title 22. This document, outlining the conditions of approval, must be recorded in the deed records of the Skamania County Auditor in order to ensure notice of the conditions of approval to successors in interest. SCC §22.06.050(C)(2).

- 1) All developments shall be consistent with the enclosed site plan, unless modified by the following conditions of approval. If modified, the site plan shall be consistent with the conditions of approval.
- 2) Setbacks (including roof/ eaves, decks/ porches) for all structures shall be as follows: Front yard: 50 feet from the centerline of the street or road or 20 feet from the front property line, whichever is greater, Side yard: 20 feet, Rear yard: 20 feet. Determination of the property line location is the responsibility of the applicant and must be confirmed by a surveyor if the property boundary is in question.
- 3) A new site plan showing the accessory structures at under or equal to 2,000 square feet total shall be submitted to the Planning Department prior to issuance of a building permit.
- 4) The accessory structure shall not be used as a home occupation/cottage industry until such a use is reviewed and approved by the Planning Department.
- 5) The accessory structures shall not contain a cooking area or kitchen, nor shall the necessary utilities for a kitchen be installed.
- 6) Grading shall be kept to a minimum, only that grading which is necessary for site development is permitted. Graded areas where gravel has not been applied shall be re-seeded with native vegetation prior to final inspection by the Planning Department.
- 7) Only those trees which are necessary for site development are permitted for removal.
- 8) The applicant and future owners shall be responsible for the proper maintenance and survival of any planted vegetation required under this Decision. See Conditions #6 & 7.
- 9) It is recommended that the site plan be reviewed for compliance with existing deeds, easements, agreements, and covenants.
- 10) The applicant shall comply with all conditions, prior to final inspection by the Building Department. The applicant shall coordinate all inspections with the Building Department. Planning Department staff should be able to conduct a final inspection site visit within four

business days from the time of calling for the inspection. Final inspection will not be issued until compliance with all conditions of approval has been verified.

- 11) The Planning Department will conduct at least two site visits during construction. One to confirm the site and one after excavation but prior to framing of the footers. Each inspection may take up to four business days from the time of calling for the inspection. Inspections should be arranged by calling the Building Department at 509-427-9484.
- 12) The following procedures shall be effected when cultural resources are discovered during construction activities:
 - a) Halt Construction. All construction activities within 100 feet of the discovered cultural resource shall cease. The cultural resources shall remain as found; further disturbance is prohibited.
 - b) Notification. The project applicant shall notify the Planning Department and the Gorge Commission within 24 hours of the discovery. If the cultural resources are prehistoric or otherwise associated with Native Americans, the project applicant shall also notify the Indian tribal governments within 24 hours.
 - c) Survey and Evaluations. The Gorge Commission shall arrange for the cultural resources survey.

Dated and Signed this 3 day of August, 2001, at Stevenson, Washington.
