INSTRUCTIONS

8. All owners and their addresses must be listed.
9. This waiver form must be signed by all of the owners or their designated agent. If an agent is designated, a statement appointing the agent, signed by all of the owners, must be submitted with the certification, if a designated agent is not currently on file with the BLM State Office where your claims and sites are recorded.
10. Mining claims and sites held by a husband and wife, either jointly or individually, or their children under the age of majority, shall be counted toward the 10 claim limit. Mining claims and sites held in co-ownership or by an association of lessees, by a partnership, or by a corporation shall be counted towards the 10 claim limit for claimants that have an interest in these entities.
11. Failure to pay the maintenance fee or meet the requirements for a waiver from payment of the maintenance fee by any August 31st deadline for the following assessment year shall cause the mining claims and sites to be declared forfeited.

The Privacy Act of 1974 and the regulation at 43 CFR 2.45(d) provide that you be furnished the following information in connection with the information required by this certification of exemption from rental fees form.

AUTHORITY: 30 U.S.C. 23-28c; 43 U.S.C. 1201, 1740, and 1744; 43 CFR 3833 and 3850.

PRINCIPLE PURPOSE: This information is to be used to verify that the owner(s) of a mining claim has complied with the Act of August 10, 1993 (107 Stat. 312), and is entitled to perform assessment work in lieu of paying the maintenance fee for the mining claims listed on this form.

ROUTINE USE: (1) Adjudication of the claimant(s) certification of waivers from paying the maintenance fee otherwise required by the Act of August 10, 1993 (107 Stat. 312). (2) Disclosure may be made to appropriate Federal agencies whose location is made within the agency's geographic area of responsibility. (3) Information from the record and/or the record will be transferred to the appropriate Federal, State, or local agency, or a member of the public in response to a specific request for pertinent information. (4) Information may also be provided to the Department of Justice or in a proceeding before a court or adjudicative body; or to Federal, State, local or foreign agencies when needed for enforcement of civil or criminal codes or applicable regulations concerning title rights upon the public land.

EFFECT OF NOT PROVIDING INFORMATION: Disclosure of this information is required by the Act of August 10, 1993 (107 Stat. 312) and 43 CFR 3833 for those owner(s) wishing to take the small miners waiver allowed under 43 CFR 3833 and 3850. Failure to supply the information required in this form to support the owner(s) certification of waiver from payment of the otherwise required maintenance fees will result in the waiver being disallowed and the mining claims declared null and void by the Bureau of Land Management (BLM).

The Paperwork Reduction Act of 1980 (44 U.S.C. 3501, et seq.) requires us to tell you that:

This information is being collected to allow the BLM to determine if you qualify for a waiver from the payment of \$100 per mining claim maintenance fee established by the Act of August 10, 1993 (107 Stat. 312) and the implementing regulations at 43 CFR 3833 and 3850. A response to this request is required in accordance with the statute (107 Stat. 312) to retain your benefit.

Public reporting burden for this form is estimated to average 8 minutes per response, including time to review instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate, or any other aspect of this form, to the Department of the Interior, Bureau of Land Management, Information Collection Clearance Office (DW-101) Denver Federal Center, Building 40, P.O. Box 25047, Denver, CO 80225-0047 and the Office of Management and Budget, Paperwork Reduction Project (1004-0114), Washington, D.C. 20503.

BLM would like you to know that you do not have to respond to this, or any other, Federal agency-sponsored information collection unless it displays a currently valid OMB control number.
