Reference Numbers of documents Assigned or Released Book E / Page 978This agreement between Robert A. Sourek Jr.hereinafter called the "Owner, and Skamania County

hereinafter called the "Granting Authority".

Whereas the owner of the above described real property having made application for classification of that property under the provision of chapter 84.34 RCW.

And whereas, both the owner and granting authority agree to limit the use of said property, recognizing that such land has substantial public value as open space and that the preservation of such land constitutes an important physical, social, esthetic, and economic asset to the public, and both parties agree that the classification of the property during the life of this agreement shall be for:

☐ Open Space Land ☒ Timber Land

Now, therefore, the parties, in consideration of the mutual convenience and conditions set forth herein, do agree as follows:

1. During the term of this agreement, the land shall be used only in accordance with the preservation of its classified use.
2. No structures shall be erected upon such land except those directly related to, and compatible with, the classified use of the land.

3. This agreement shall be effective commencing on the date the legislative body receives the signed agreement from the property owner and shall remain in effect until the property is withdrawn or removed from classification.
4. This agreement shall apply to the parcels of land described herein and shall be binding upon the heirs, successors and assignees of the parties hereto.
5. **Withdrawal:** The landowner may withdraw from this agreement if, after a period of eight years, he or she files a request to withdraw classification with the assessor. Two years from the date of that request the assessor shall withdraw classification from the land, and the applicable taxes and interest shall be imposed as provided in RCW 84.34.070 and 84.34.108.
6. **Breach:** After the effective date of this agreement, any change in use of the land, except through compliance with items (5), (7), or (9), shall be considered a breach of this agreement, and shall be subject to removal of classification and liable for applicable taxes, penalties, and interest as provided in RCW 84.34.080 and RCW 84.34.108.
7. A breach of agreement shall not have occurred and additional tax shall not be imposed if removal of classification resulted solely from:
 - a) Transfer to a governmental entity in exchange for other land located within the State of Washington.
 - b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power in anticipation of the exercise of such power and having manifested its intent in writing or by other official action.
 - c) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the land owner changing the use of such property.
 - d) Official action by an agency of the State of Washington or by the county or city where the land is located disallowing the present use of such land.
 - e) Transfer of land to a church when such land would qualify for exemption pursuant to RCW 84.36.020.
 - f) Acquisition of property interests by State agencies or agencies or organizations qualified under RCW 84.34.210 and 62.04.130 (See RCW 84.34.108(5)(f)).
 - g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(d).
 - h) Removal of land from classification after enactment of a statutory exemption that qualifies the land for exemption and receipt of notice from the owner to remove the land from classification.
 - i) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120.
 - j) The creation, sale, or transfer of fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.
8. The county assessor may require an owner to submit data relevant to continuing the eligibility of any parcel of land described in this agreement.
9. Reclassification as provided in Chapter 84.34 RCW.

This agreement shall be subject to the following conditions:

1. Management of the subject parcel shall proceed as outlined in the applicant's Forest Management Plan.
2. All recommendations set out in the Forest Management Plan shall be requirements and shall be executed as specified in the plan.
3. Within three (3) years of any harvest, the harvest area should be replanted to 12'x12' spacing or contain at least 100 trees/acre of at least 20 years of age.
4. Since this application and Forest Management Plan is specific to the entire parcel, any further division of the subject parcel shall require a new management plan specific to each parcel.
5. Weeds and brush shall be suppressed until all trees exceed 6' in height.

It is declared that this agreement specifies the classification and conditions as provided for in Chapter 84.34 RCW and the conditions imposed by this Granting Authority. This agreement to tax according to the use of the property is not a contract and can be annulled or canceled at any time by the Legislature (RCW 84.34.070).

Chapter 69, Laws of 1992:

- (1) If no later than thirty days after removal of classification or designation the owner applies for classification under RCW 84.34.020 (1), (2) or (3), then the classified or designated forest land shall not be considered removed from classification or designation for purposes of compensating tax under RCW 84.33.120 or 84.33.140 until the application for current use classification under RCW 84.34.030 is denied or the property is removed from designation under RCW 84.34.108. Upon removal from designation under RCW 84.34.108, the amount of compensating tax due under this chapter shall be equal to:
 - (a) The difference, if any, between the amount of the assessed valuation on such land as forest land and the amount of the new assessed valuation of such land when removed from designation under RCW 84.34.108 multiplied by the dollar rate of the last levy extended against such land, multiplied by
 - (b) A new number equal to:
 - (i) The number of years the land was classified or designated under this chapter, if the total number of years the land was classified or designated under this chapter and classified under chapter 84.34 RCW is less than ten; or
 - (ii) Ten minus the number of years the land was classified under chapter 84.34 RCW, if the total number of years the land was classified or designated under this chapter and classified under chapter 84.34 RCW is at least ten.
- (2) Nothing in this section authorizes the continued classification or designation under this chapter or defers or reduces the compensating tax imposed under forest land not transferred to classification under subsection (1) of this section which does not meet the necessary definitions of forest land under RCW 84.33.100. Nothing in this section affects the additional tax imposed under RCW 84.34.108.

The application for transfer from classified or designated forest land to current use classification, open space-land, farm, and agricultural or timber land must be made within 30 days from the date of removal from forest land.

The county assessor will approve all applications for transfer to farm and agricultural classification.

In all unincorporated areas, the legislative authority shall act as the granting authority for applications for transfer to timber land classification. Lands within the incorporated areas shall be acted upon by a group composed of three members of the county legislative authority and three members of the city legislative authority.

Compensating tax will be due at the time of sale of transfer of any portion of land unless the application for classification is approved. If only a portion of the parcel listed on the application qualifies for classification the granting authority may approve only that part.

The application shall be accompanied by a reasonable processing fee if such fee is established by the city or county legislative authority.
