CONDITIONS OF APPROVAL:

The following conditions are required to ensure that the subject request is consistent with Skamania County Code Title 22. This document, outlining the conditions of approval, must be recorded by the applicant in the deed records of the Skamania County Auditor in order to ensure notice of the conditions of approval to successors in interest. SCC §22.06.050(C)(2).

- 1) As per SCC §22.06.050(C)(2), this Administrative Decision **SHALL BE RECORDED** by the applicant in the County deed records prior to commencement of the approved project. A copy of the first page of the recorded Administrative Decision must be submitted to the Planning Department prior to issuance of a building permit.
- 2) All developments shall be consistent with the enclosed site plan, unless modified by the following conditions of approval. If modified, the site plan shall be consistent with the conditions of approval. (See attached)
- 3) The height of the attached garage shall be limited to 18 feet from existing grade to the roof peak.
- 4) Only that grading which is necessary for site development (building pad) is permitted.
- 5) All disturbed areas shall be re-seeded with a native vegetation mix prior to final inspection by the Planning Department.
- 6) The addition is allowed to match the color of the approved replacement home.
- 7) Exterior lighting shall be directed downward and sited, hooded and shielded such that it is not highly visible from key viewing areas. Shielding and hooding materials shall be composed of non-reflective, opaque materials. Opaque means that it does not allow light to pass through the shield or hood. All lights should be hooded and shielded so as to have a luminary with less than a 90 degree cutoff.
- 8) Only those trees necessary for site development or safety purposes may be removed.
- 9) All existing screening trees on the subject parcel shall be retained and maintained in a healthy condition. Dead and dying trees shall be replaced in kind.
- 10) Limbing or topping of existing screening trees is prohibited.
- 11) The applicant shall meet all conditions to achieve visual subordination prior to final inspection by the Planning Department. The applicant should coordinate all inspections with the Building Department. Final inspection will not be complete until compliance with all conditions, including the visual subordination criteria, has been verified.
- 12) The Planning Department will conduct at least two site visits during construction. One will be to verify the location of the structures as stated by the Administrative Decision. Another will be

conducted after all foundation excavation has been completed but prior to the applicant framing up the footers. Each inspection may take up to four business days from the time of calling for the inspection. Inspections should be arranged by calling the Building Department at 509-427-9484.

- 13) The following procedures shall be effected when cultural resources are discovered during construction activities:
- a) **Halt Construction.** All construction activities within 100 feet of the discovered cultural resource shall cease. The cultural resources shall remain as found; further disturbance is prohibited.
 - b) **Notification.** The project applicant shall notify the Planning Department and the Gorge Commission within 24 hours of the discovery. If the cultural resources are prehistoric or otherwise associated with Native Americans, the project applicant shall also notify the Indian tribal governments within 24 hours.
 - c) **Survey and Evaluations.** The Gorge Commission shall arrange for the cultural resources survey.

Dated and Signed this 4th day of April, 2003, at Stevenson, Washington.
