Administrative Decision

APPLICANT:

Heather Stiles

PROPERTY OWNER:

Heather Stiles & Kenneth Dickinson

FILE NO.:

NSA-03-07

PROJECT:

40'x 50'x 20' replacement barn and installation of new power and phone lines to the barn.

LOCATION:

672 Home Valley Cutoff Road; Section 26 of T3N, R8E, W.M. and identified as Skamania County Tax Lot #03-08-26-0-0-0700-00.

LEGAL:

See attached page 5.

DECISION:

Based upon the record and the Staff Report, the application by Heather Stiles, described above, subject to the conditions set forth in this Decision, is found to be consistent with SCC Title 22 and is hereby approved.

Although the proposed development is approved, it may not be buildable due to inadequate soils for septic and/or lack of potable water. These issues are under the jurisdiction of Skamania County's Building Department and the Skamania County Health Department.

Approval of this request does not exempt the applicant or successors in interest from compliance with all other applicable local, state, and federal laws.

CONDITIONS OF APPROVAL:

The following conditions are required to ensure that the subject request is consistent with Skamania County Code Title 22. This document, outlining the conditions of approval, must be recorded by the applicant in the deed records of the Skamania County Auditor in order to ensure notice of the conditions of approval to successors in interest. SCC §22.06.050(C)(2).

- 1) As per SCC §22.06.050(C)(2), this Administrative Decision SHALL BE RECORDED by the applicant in the County deed records prior to commencement of the approved project. A copy of the first page of the recorded Administrative Decision must be submitted to the Planning Department prior to issuance of a building permit.
- 2) All developments shall be consistent with the enclosed site plan, unless modified by the following conditions of approval. If modified, the site plan shall be consistent with the conditions of approval. (See attached)
- 3) The proposed barn shall not exceed 20' from the top of the footer set at or below existing grade.
- 4) Only that grading which is necessary for site development (building pad) is permitted.
- 5) The applicant shall ensure that any grading or ditching will not allow sediment run-off into the creek.
- 6) All graded and disturbed areas are to be re-seeded with a native vegetation mix prior to final inspection by the Planning Department.
- 7) The project applicant and future owners shall be responsible for the proper maintenance and survival of any vegetation required to be planted.
- 8) The buffer shall be maintained in a natural condition (i.e. no grading, no mowing, etc.), with no other development occurring within the buffer other than the replacement barn or any native plantings that might enhance the buffer area. Non-native species may be removed within the buffer area by hand removal only, so long as the buffer is kept in a natural appearance and does not appear manicured.
- 9) The Planning Department will conduct at least two site visits during construction. One will be to verify the location of the structures as stated by the Administrative Decision. Another will be conducted after all foundation excavation has been completed but prior to the applicant framing up the footers. Each inspection may take up to four business days from the time of calling for the inspection. Inspections should be arranged by calling the Building Department at 509-427-9484.
- 10) The following procedures shall be effected when cultural resources are discovered during construction activities:

File NSA 03-01 (S105) Administrative decision
Page 3

- a) Halt Construction. All construction activities within 100 feet of the discovered cultural resource shall cease. The cultural resources shall remain as found; further disturbance is prohibited.
- b) Notification. The project applicant shall notify the Planning Department and the Gorge Commission within 24 hours of the discovery. If the cultural resources are prehistoric or otherwise associated with Native Americans, the project applicant shall also notify the Indian tribal governments within 24 hours.
- c) Survey and Evaluations. The Gorge Commission shall arrange for the cultural resources survey.

Dated and Signed this 23rd day of April, 2003, at Stevenson, Washington.

Stacey Borland
Stacey Borland, Associate Planner
Skamania County Planning and Community Development.

NOTES

Any new residential development, related accessory structures such as garages or workshops, fences, and additions or alterations not included in this approved site plan, will require a new application and review.

As per SCC §22.06.050(C)(5), this Administrative Decision approving a proposed development action shall become void in two years if the development is not commenced within that period, or when the development action is discontinued for any reason for one continuous year or more.

APPEALS

This Administrative Decision shall be final unless reversed or modified on appeal. A written Notice of Appeal form must be filed by an interested person within 20 days from the date hereof. Appeals are to be made to the Skamania County Board of Adjustment, P.O. Box 790, Stevenson, WA 98648. Notice of Appeal forms are available at the Planning Department Office and must be accompanied by a \$500.00 nonrefundable filing fee.

WARNING

On November 30, 1998 the Columbia River Gorge Commission overturned a Skamania County Director's Decision 18 months after the 20 day appeal period had expired. You are hereby warned that you are proceeding at your own risk and Skamania County will not be liable for any damages you incur in reliance upon your Administrative Decision or any amendments thereto.
