BORROWER'S TRANSFER TO LENDER OF RIGHTS IN THE PROPERTY

The beneficiary of this Security Instrument is MERS (solely as nominee for Lender and Lender's successors and assigns) and the successors and assigns of MERS. I mortgage, grant, bargain, convey, and confirm to Trustees, in trust, with the power of sale the Property described below, subject to the terms of this Security Instrument. This Security Instrument secures to Lender those rights that are stated in this Security Instrument, and also those rights that the law gives to lenders who hold mortgages on real property. Borrower understands and agrees that MERS holds only legal title to the interests granted by Borrower in this Security Instrument, but, if necessary to comply with law or custom, MERS (as nominee) for Lender and Lender's successors and assigns) has the right to exercise any or all of those interests, including, but not limited to, the right to foreclose and sell the Property; and to take any action required of Lender including, but not limited to, releasing and canceling this Security Instrument. I am giving Lender these rights to protect Lender from possible losses that might result if I fail to:

- (A) Pay all the amounts that I owe Lender as stated in the Note, with interest, and all renewals, extensions and modifications to the Note;
- (B) Pay, with interest, any amounts that Lender spends under Paragraphs 2 and 7 of this Security Instrument to protect the value of the Property and Lender's rights in the Property; and
- (C) Keep all of my other promises and agreements under this Security Instrument, and the Note.

DESCRIPTION OF THE PROPERTY

I give Lender rights in the Property described in (A) through (J) below:

(A) The Property is located at 121 Dogwood Street, Carson, WA 98610

A description of the Property is more fully described in the Schedule "A" Legal Description attached hereto and made a part hereof;

(B) All buildings and other improvements that are located on the Property that is described in subparagraph (A) of this section;

(C) All rights in other property that I have as owner of the Property described in subparagraph (A) of this section. These rights are known as "easements, rights and appurtenances attached to the Property;"

(D) All rents or royalties from the Property described in subparagraph (A) of this section;

(E) All mineral, oil and gas rights and profits, water rights and stock that are part of the Property described in subparagraph (A) of this section;

(F) All rights that I have in the land which lies in the streets or roads in front of or next to, the Property described in subparagraph (A) of this section;

(G) All fixtures that are now or in the future will be on the Property described in subparagraphs (A) and (B) of this section; along with but not limited to stoves, refrigerators, washers, dryers, dishwashers, ovens, air conditioning units;

(H) All of the rights and property described in subparagraphs (B) through (G) of this section that I acquire in the future;

(I) All replacements of, or additions to, the Property described in subparagraphs (B) through (H) of this section; and

(J) All of the amounts that I pay to Lender under Paragraph 2 below.

BORROWER'S RIGHT TO MORTGAGE THE PROPERTY AND BORROWER'S OBLIGATION TO DEFEND OWNERSHIP OF THE PROPERTY

I promise that: (A) I lawfully own the Property; (B) I have the right to mortgage, grant and convey the Property to Lender; and (C) there are no outstanding claims or charges against the Property. I give a general warranty of title to Lender. This means that I will be fully responsible for any losses which Lender suffers because someone other than myself has some of the rights in the Property which I promise that I have. I promise that I will defend my ownership of the Property against any claims of such rights.

PLAIN LANGUAGE SECURITY INSTRUMENT

This Security Instrument contains uniform promises and agreements that are used in real property security agreements all over the country. It contains non uniform promises and agreements that vary to a limited extent, in different parts of the country. My promises and agreements are stated in "plain language."

I promise and I agree with Lender as follows:

1. BORROWER'S PROMISE TO PAY

I will pay to Lender, on time, principal and interest due under the Note and any prepayment and late charges due under the Note.

2. MONTHLY PAYMENTS FOR TAXES & INSURANCE

(A) Borrower's Obligations

In accordance with applicable law, Lender will estimate from time to time my yearly taxes, assessments, leasehold payments or ground rents and insurance premiums. Lender will use existing assessments and bills and reasonable estimates of future assessments and bills. Lender may, at any time, collect and hold items under Paragraph 2 in an aggregate amount not to exceed the maximum amount that may be required for Borrower's account under the Real Estate Settlement Procedures Act of 1974, 12 USC 2601 et seq., and implementing regulations, 24 CFR Part 3500, as they may be amended from time to time ("RESPA"), except that I will pay to Lender an additional sum equal to one-sixth of the aggregate amount of yearly payments under this paragraph 2 or a lesser amount if required by applicable law. This sum is known as the "reserve" or "cushion," and is permitted by

RESPA for unanticipated disbursements or disbursements before my payments are available in the account. These amounts that I pay to Lender for these items under Paragraph 2 will be called the "Funds." These Funds may be commingled with the funds of the Lender unless the law requires otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with the loan, unless applicable law provides otherwise.

(B) Lender's Obligations

Lender will use the Funds to pay the above listed items. Lender will give to me, without charge, an annual accounting of the Funds. That accounting must show all additions to and deductions from the Funds and the reason for each deduction.

(C) Adjustments

If Lender's estimates are too high or if taxes and insurance rates go down, the amounts that I pay under this Paragraph 2 will be too large. If this happens at a time when I am keeping all of my promises and agreements made in this Security Instrument, I will have the right to have the excess amount either promptly repaid to me as a direct refund or credited to my future monthly payments of funds. There will be excess amounts if, at any time, the sum of (i) the amount of funds which Lender is holding or keeping, plus (ii) the amount of the monthly payments of funds which I still must pay between that time and the due dates of these items is greater than the amount necessary to pay the above listed items when they are due. If the Funds exceed the amounts permitted to be held by RESPA, Lender shall deal with excess funds as required by RESPA.

If, when payments of these items are due, Lender has not received enough Funds to make those payments, I will pay to Lender whatever additional amount is necessary to pay these items in full. I must pay that additional amount in one or more payments as Lender may require, and permitted by RESPA.

3. APPLICATION OF BORROWER'S PAYMENTS

Unless the law requires otherwise, Lender will apply each of my payments under the Note and under Paragraphs 1 and 2 above in the following order and for the following purposes:

- First, to pay any prepayment charges due under the Note;
- Next, to pay late charges under the Note;
- Next, to pay any amounts due to Lender under Paragraph 2 above or other advances;
- Next to pay interest due; and
- Last to pay principal due.

4. BORROWERS' OBLIGATION TO PAY CHARGES, ASSESSMENTS AND CLAIMS

I will pay all taxes, assessments, and any other charges and fines that may be imposed on the Property and that may be superior to this Security Agreement. I will also make payments due under any lease if I am a tenant on the Property and I will pay ground rents (if any) due on the Property. I will do this either by making the payments to Lender that are described in Paragraph 2 above or, if I am not required to make payments under Paragraph 2, by making the payments on time to time to the person owed them (In this Security Instrument, the word "person" means any person, organization, governmental authority or other party.) If I make direct payments, then promptly after making any of those payments, I will give Lender a receipt which shows that I have done so. If I make payments to Lender under Paragraph 2, I will give Lender all notices or bills that I receive for the amounts due under this Paragraph 4.

Any claim, demand or charge that is made against the Property because an obligation has not been fulfilled is known as a "lien." I will promptly pay or satisfy all liens against the Property that may be superior to this Security Instrument. However, this Security Instrument does not require me to satisfy a superior lien if: (A) I agree, in writing to pay the obligation which gave rise to the superior lien, and Lender approves the way in which I agree to pay that obligation; or (B) in good faith, I argue or defend against the superior lien in a lawsuit so that during the lawsuit the superior lien may not be enforced and no part of the Property must be given up; or (C) I secure from the holder of that other lien an agreement approved in writing by Lender that the lien of this Security Instrument is superior to the lien held by that person. If Lender determines that any part of the Property is subject to a superior lien, Lender may give Borrower a notice identifying the superior lien. Borrower shall pay or satisfy the superior lien or take one or more of the actions set forth above within 10 days from the giving of notice.

5. BORROWER'S OBLIGATION TO MAINTAIN HAZARD INSURANCE

I will obtain hazard insurance to cover all buildings and other improvements that are now, or in the future, will be located on the Property. The insurance must cover loss or damage caused by fire hazards normally covered by "extended coverage" hazard insurance policies, and other hazards,

including floods or flooding, for which lender or state or federal government requires coverage. The insurance must be in the amounts and for the periods of time required by Lender or government agency. I may choose the insurance company, but my choice is subject to Lender's approval. Lender may not refuse to approve my choice unless the refusal is reasonable. If I do not maintain coverage as described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in accordance with this paragraph and paragraph 7. If the property is determined to be located in a flood zone that requires flood insurance, as designated by the Federal Emergency Management Agency or another agency that has the authority to make such determination, I understand that I will be required to obtain flood insurance coverage for the property.

All of the insurance policies and renewals of those policies must include what is known as a "Standard Mortgagee" clause to protect Lender. The form of all policies and renewals must be acceptable to Lender. Lender will have the right to hold the policies and renewals. If Lender requires, I will promptly give Lender all receipts of paid premiums and renewal notices that I receive.

If there is a loss or damage to the Property, I will promptly notify the insurance company and Lender. If I do not promptly prove to the insurance company that the loss or damage occurred, then Lender may do so. The amount paid by the Insurance company is called "proceeds." I authorize the Lender to settle any claims and collect the proceeds on my behalf and use them to reduce the amount I owe to Lender under the Note and under this Security Instrument (whether or not repairs have been made by me), or Lender may release the proceeds to me for use in the repair or restoration of the damaged Property. Lender may use the proceeds to repair or restore the property or to pay the sums secured.

If any proceeds are used to replace the amount of principal which I owe to Lender under the Note, that use will not delay the due date or change the amount of any of my monthly payments under the Note and under Paragraphs 1 and 2 above. However, Lender and I may agree in writing to those delays or changes.

If Lender acquires the Property under Paragraph 25 below, all of my rights in the insurance policies will belong to Lender. Also, all of my rights in any proceeds which are paid because of damage that occurred before the Property is acquired by Lender or sold will belong to Lender. However, Lender's rights in those proceeds will not be greater than the sums secured immediately before the Property is acquired by Lender or sold.

In the event that Borrower fails to maintain hazard insurance or flood insurance as outlined in this Paragraph 5, or has the policy cancelled, then and in that event, Lender may obtain the necessary insurance. Lender may charge borrower a "surcharge" to cover the costs and administration of said insurance, and will be responsible for the payment of these fees and all premiums on said insurance. If the Lender obtains insurance, it will only provide protection for the premises. Contents, liability and other items will not be insured.

Borrower irrevocably assigns to lender all of my right, title and interest in any tax/insurance escrow refunds, insurance proceeds or the like regardless of how designated, which is/are in any way related to the subject property, and authorizes these amounts to be paid directly to Lender. Lender will credit all payments to the borrower(s) account in the order of priority, as specified in paragraph 3 hereof.

6. BORROWER'S OBLIGATION TO MAINTAIN THE PROPERTY AND TO FULFILL ANY LEASE OBLIGATIONS

I will keep the Property in good repair. I will not destroy, damage or substantially change the Property, and I will not allow the Property to deteriorate. If I do not own but am a tenant on the property, I will fulfill my obligations under any lease. I also agree that, if I acquire the fee title to the Property, my lease interest and the fee title will not merge unless Lender agrees to the merger in writing.

7. LENDER'S RIGHT TO PROTECT ITS RIGHTS IN THE PROPERTY: MORTGAGE INSURANCE

If: (A) I do not keep my promises and agreements made in this Security Instrument, or (B) someone, including me, begins a legal proceeding that may affect Lender's rights under the Note or in the Property (such as a legal proceeding in bankruptcy, in probate, for condemnation or to enforce laws or regulations), Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Note and Property. Lender's actions may include appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this Paragraph 7, Lender does not have to do so.

I will pay to Lender any amount with interest, which Lender spends under this Paragraph 7. I will pay those amounts to Lender when Lender sends me a notice requesting that I do so. I will also pay interest on those amounts at the Note rate. Interest on each amount will begin on the date that the amount is spent by Lender. However, Lender and I may agree in writing to terms of payment that are different from those in this paragraph. This Security Instrument will protect Lender in case I do not keep this promise to pay those amounts with interest.

If Lender required mortgage insurance as a condition of making the loan that I promise to pay under the Note, I will pay the premiums for that mortgage insurance. I will pay the premiums until the requirement for mortgage insurance ends according to my written agreement with Lender or according to law. Lender may require me to pay the premiums in the manner described in Paragraph 2 above.

8. LENDER'S RIGHT TO INSPECT THE PROPERTY

Lender, and others authorized by Lender, may enter on and inspect the Property. They must do so in a reasonable manner and at reasonable times.

9. AGREEMENTS ABOUT CONDEMNATION OF THE PROPERTY

A taking of property by any governmental authority by eminent domain is known as "condemnation." I give to Lender my right: (A) to proceeds of all awards or claims for damages resulting from condemnation or other governmental taking of the property and (B) to proceeds from a sale of the Property that is made to avoid condemnation. All of those proceeds will be paid to Lender.

If all of the Property is taken, the proceeds will be used to reduce the sums secured. If any of the proceeds remain after the amount that I owe to Lender has been paid in full, the remaining proceeds will be paid to me. Unless Lender and I agree otherwise in writing, if only a part of the Property is taken, the amount that I owe to Lender will be reduced only by the amount of proceeds multiplied by the following fraction: (A) the total amount of the sums secured immediately before the taking divided by (B) the fair market value of the Property immediately before the taking. The remainder of the proceeds will be paid to me.

If I abandon the Property, or if I do not answer, within 30 days, a notice from Lender stating that a governmental authority has offered to make a payment or to settle a claim for damages, Lender has the authority to collect the proceeds. Lender may then use the proceeds to repair or restore the Property or to reduce the sums secured. The 30 day period will begin when the notice is given.

If any proceeds are used to reduce the amount of principal which I owe the Lender under the Note, that use will not delay the due date or change the amount of any of my monthly payments under the Note and under Paragraphs 1 and 2 above. However, Lender and I may agree in writing to those delays or changes.

10. CONTINUATION OF BORROWER'S OBLIGATIONS AND OF LENDER'S RIGHTS

(A) Borrower's Obligations

Lender may allow a person who takes over my rights and obligations to delay or to change the amount of the monthly payments of principal and interest due under the Note or under this Security Instrument. Even if Lender does this, however, that person and I will both still be fully obligated under the Note and under this Security Instrument. Lender may allow these delays or changes for a person who takes over my rights and obligations, even if Lender is requested not to do so. Lender will not be required to bring a lawsuit against such a person for not fulfilling the obligation of the Note.

B) Lender's Rights

Even if Lender does not exercise or enforce any right of Lender under this Security Instrument or under the law, Lender will still have all of those rights and may exercise and enforce them in the future. Even if Lender obtains insurance, pays taxes, or pays other claims, charges or liens against the Property, Lender will have the right under Paragraph 19 below to demand that I make immediate payment in full of the amount that I owe to Lender under the Note and this Security Instrument. The grantor hereby consents and agrees that the debt hereby secured, or any part thereof, may be renewed or extended beyond maturity as often as may be desired by agreement between the creditor and any subsequent owner of the property, and no such renewal or extension shall in any way affect the grantor's responsibility, whether as surety or otherwise. The grantor and any other party assuming liability hereunder hereby consent and agree that if the property conveyed hereby or a substantial portion thereof is transferred to any subsequent owner, and the creditor exercises the right to accelerate the debts secured hereby, the creditor may accept any delinquent payments or other cure of default giving rise to such acceleration from the then owner of the property or any other person and reinstate the indebtedness in accordance with the schedule of maturity as of the time of acceleration or upon such new schedule as may be agreed if renewal or extension are otherwise permitted and no such reinstatement shall in any way affect the liability of such prior parties, whether as surety or otherwise.

11. OBLIGATIONS OF BORROWER AND OF PERSONS TAKING OVER BORROWER'S RIGHTS OR OBLIGATIONS

Any person who takes over my right or obligations under this Security Instrument will have all of my rights and will be obligated to keep all of my promises and agreements made in this Security Instrument. Similarly, any person who takes over Lender's rights or obligations under this Security Instrument will have all of Lender's rights and will be obligated to keep all of Lender's agreements made in this Security Instrument.

22. ADDITIONAL CHARGES

I agree to pay all reasonable charges in connection with the servicing of this loan, including but not limited to obtaining tax searches and bills and in processing insurance loss payments, ownership transfers, releases, easements, consents, extensions, modifications, special agreements, assignments, reduction certificates, asset recovery and satisfaction of mortgage.

In the event Borrower directs Lender to order any reports, appraisals, searches, examinations and/or the like, I agree that the expense for the same is to be added to the balance of the existing mortgage, if same is not paid within 30 days of written notification.

23. HAZARDOUS SUBSTANCES

Borrower shall not create or suffer to exist, or permit any of its agents, employees, contractors, tenants, or invitees to create or suffer to exist any lien, security interest charge or encumbrance against the Property or any portion thereof, relating to any physical or environmental condition, including, but not limited to, any lien imposed pursuant to section 107(f) of the Superfund Amendments and Reauthorization Act of 1986 (42 U.S.C. 9607 et seq) or any similar federal, state, or local statute, regulation, rule, order, or ordinance.

Borrower shall not cause or permit any other party to cause or permit the presence, use, disposal, storage or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any environmental law.

Borrower shall promptly give the Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or environmental law, of which the Borrower has actual knowledge or should have actual knowledge. If Borrower learns or is notified by any governmental or regulatory authority that any removal or remediation of any hazardous Substance affecting the Property is necessary, Borrower shall promptly take necessary remedial, removal, and other actions necessary to clean up and remove all hazardous substances, solid wastes, or contaminants on, in, from, or affecting the property or any portion thereof, in accordance with environmental law, to the satisfaction of the lender and in accordance with all orders and directives of governmental authorities having jurisdiction over the Property and/or such substances or materials. If Borrower fails to take remedial action, and upon receipt of notice from any party asserting the existence of any hazardous substances affecting the property that if true may result in an order, suit, imposition of a lien on the property, or other action, or if the lender in good faith believes would jeopardize its security interest, the Lender at its option shall take whatever action is necessary in accordance with environmental law, to clean up, remove, resolve or otherwise remediate the situation. All reasonable costs and expenses paid or incurred by Lender in the exercise of such rights shall be secured by the liens securing this loan and shall be payable by borrower upon demand by Lender.

Borrower shall indemnify, exonerate, defend and hold harmless Lender, its officers, directors, shareholders, agents, and employees, from and against any and all claims, demands, obligations, penalties, fines, suits, liabilities, settlements, damages, losses, costs, and expenses (including but not limited to, attorney and consultant fees and expenses, investigation fees, laboratory expenses, cleanup costs, court costs, and other expenses of litigation or arbitration), as well as any such fees and expenses incurred in enforcing this indemnity, and any violation of any applicable environmental laws in effect on or before the date hereof or hereafter made effective.

As used in this document, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law, and the following substances: gasoline, kerosene, other flammable or toxic petroleum products or by-products, toxic pesticides, herbicides and fungicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this document, "Environmental Law" means federal, state, and local laws, statutes, rules, regulations, judicial orders and decisions that relate to health, safety or environmental protection and maintenance in the jurisdiction where the property is located.

24. MISCELLANEOUS PROVISIONS

(A) In the event that the holder of this Security Instrument be required to retain legal counsel for the purpose of commencing legal proceedings hereunder, a reasonable sum shall be added to the said indebtedness, as fair and reasonable legal fees and deemed secured hereby in addition to expenses, costs, allowances as provided by law.

(B) If this Security Instrument involves a condominium unit, any failure to pay common charges when they become due shall be considered a default under the terms of this Security Instrument.

(C) In the event that Borrower is permitted to cure a default of the Note and/or Mortgage pursuant to the United States Bankruptcy Code (Title 11 U.S.C.) or other applicable law, the parties hereto specifically agree that the amount necessary to cure the default shall include the sum of all amounts past due under the terms of the Note and/or Mortgage, including all principal, interest, and late charges, and all amount advanced by Lender pursuant to the terms of the Note and/or Mortgage, including all attorneys fees and costs, plus interest on such sum calculated at the annual interest required by the Note and/or Mortgage from the date on which Borrower elects to cure the default to the date on which the default is cured.

Nothing herein shall be construed to allow Borrower the right to cure any default of the Note and/or Mortgage except as specifically authorized under the United States Bankruptcy Code (Title 11 U.S.C.) or other applicable law.

(D) In the event that Lender shall advance any money in order to pay Borrower's insurance, taxes and/or hazard insurance and/or any other judgments, liens, violations, or actions under paragraph 23, then Borrower will pay interest on the sums advanced at the rate specified in Borrower's Note.

(E) In the event the premises suffers damage or Borrower's statements and/or representations have been found to be false prior to the disbursement of funds, Lender, in its sole discretion, may cancel this Note and Lender shall have no further obligations to the Borrower. Lender agrees that Lender will file a Satisfaction of Mortgage in the county this Security Instrument is filed with the Office of the County Clerk prior to cancellation by Lender.

(F) In the event that any check paid by Borrower to Lender is returned unpaid then and in that event Lender may, at Lender's option, require bank or certified funds for each payment made thereafter.

(G) In the event the Borrower(s) herein cause or bring any action, proceeding or petition for the assignment, liquidation or rearrangement of their total indebtedness under any federal, state or local statute, and in such event there is an improper impairment of the lien of this Security Instrument within the meaning of any Title, Code or local statute therein relevant, there shall be allowed, awarded and granted to the holder of this Security Instrument by the court or tribunal having jurisdiction thereof, reasonable legal fees incurred to protect the lien of this Security Instrument against such improper impairment, or in the event the holder of this Security Instrument is required to bring on any motion or proceeding to vacate any stay or compel rejection of any proposed plan. Such award of reasonable counsel fees shall be based upon the reasonable hourly billing rate of an experienced real estate/bankruptcy practitioner within the jurisdiction of the court or tribunal, and without any reference or regard direct or indirect to the now disused theory of "economy of administration."

(H) In addition, Lender shall be entitled to charge interest on all accrued interest, foreclosure costs, attorney fees, as permitted by law, whether incurred as a result of the foreclosure or the bankruptcy proceeding, or other pre-petition arrearage payable pursuant to or through any plan in the bankruptcy proceeding. The interest rate shall be the same rate charged under the Note secured by this Security Instrument.

(I) Lender, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power, and duties conferred upon Trustee herein and by applicable law. All trustees must be either a member of the WASHINGTON State Bar; a bank, building and loan association, an authorized savings and loan association, an authorized trust corporation, or an authorized title insurance or abstract company.

25. ACCELERATION; DEFAULT; REMEDIES

Lender may execute or cause Trustee to execute written notice to Borrower or as provided by applicable law prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument, or in the event of a breach of any of Borrower's representations and warranties herein, (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The written notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, by which the default must be cured; and (d) that failure to cure the default on or before the date specified may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform the Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand to Borrower, and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 25, including, but not limited to, reasonable attorney's fees and costs of title evidence, as permitted by law. Evidence of said expenditures, and the note shall be deposited with the Trustee. All rights and remedies provided in this Security Instrument are distinct and cumulative to any other right or remedy under this Security Instrument or afforded by law or equity, and may be exercised concurrently, independently or successively. In the event of default, the interest rate shall increase to Note Rt.

If Lender invokes the power of sale, Lender shall mail, or cause the Trustees to mail, a notice of sale to Borrower in the manner prescribed by applicable law. The Trustees shall give notice of sale to the owner of the property, the borrower and any other person who requested notice, and shall file such notice for record in each county wherein said property or some part or parcel thereof is situated as required by applicable law.

The sale shall be held at the time and place designated in the notice of sale between the hours of 9 a.m. and 5 p.m. at the courthouse of the county in which the property to be sold, or some part thereof, is situated. The Trustees without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order the Trustees determines. Trustees may postpone sale of all or any parcel of the Property by public announcement at the time of any previously scheduled

sale. Lender, or its designee may purchase the Property at any sale and pay the purchase price by application against the purchase price of the debt secured hereby.

Trustees shall deliver to the purchaser a Trustees' deed conveying the property so sold without any covenant or warranty, expressed or implied. The recitals in the Trustees' deed shall be prima facie evidence of the truth of the statements made therein. The Trustees shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, permissible and reasonable Trustees' fees; (b) permissible and reasonable attorney's fees; (c) to all sums secured by this Security Instrument; and (d) any excess to the person or persons legally entitled to it. Upon default, Borrower shall and will surrender peaceable possession of the Property to the Trustee or to the purchaser of the Property at foreclosure sale, and shall have no right to redeem the property.

26. WAIVER OF HOMESTEAD RIGHTS

Borrower waives all right of homestead exemption in the property, and relinquishes any and all rights to dower and curtesy in the property.

27. BORROWER'S COMPLIANCE

a) Upon the request of the Lender, its successors or assigns, I shall:
